1 (The following occurred in the absence of the jury.)

2 THE COURT: Okay. We are still waiting for one
3 juror. I understand he or she, I don't know which one it is,
4 will be here momentarily.

5 Do you want to be heard with regard to the issues
6 you mentioned at the end of the day yesterday, which are the
7 government's application regarding coconspirator statement --

8 MR. DRATEL: I wanted to talk about --

9 THE COURT: -- testimony?

10 MR. DRATEL: -- the admissions.

11 THE COURT: And the admissions.

12 MR. DRATEL: That's what I am going to be handling.
13 If I could hand this up to the Court? I tried to create a
14 version that will give the Court some idea of what we want
15 back in from what the government has taken out.

16 THE COURT: Sure.

17 MR. DRATEL: That would be helpful.

18 MR. KAZEMI: Do you have a copy?

19 MR. DRATEL: I can share mine with Mr. Kazemi.

20 THE COURT: Before we lose sight of it, on this
21 other topic, about the coconspirator statements, I am not sure
22 what there is in limine. I am not going to pre-fly -- I am
23 not going to have you pre-fly all of the evidence that might
24 establish the foundation for this testimony as coconspirator
25 statements. You have to lay your foundation, offer it. If

1 there is an objection at the time, I will hear argument as to
2 whether that foundation has been laid. Sometimes it is
3 subject to connection and I have to see at the end of the case
4 whether I have to strike those statements, and if striking it
5 isn't good enough, whether a mistrial is needed. I am not
6 sure what to do pretrial on coconspirator statements.

7 MR. DRATEL: I think our position, Your Honor -- and
8 I am not handling this argument specifically, but I think our
9 position is that the government had an opportunity when the
10 actual declarants were testifying in Kosovo, particularly
11 Kalanderi, and that the government did not cross-examine. In
12 other words, we didn't have the material at that time that
13 they wished to put in. We could have -- since it was our
14 witness, we could have used that in direct. We could have
15 cleared that up. We could have asked the witness whether he
16 said certain things and whether certain things occurred.

17 That opportunity is gone. We don't have the witness
18 to do that in the course of the trial.

19 Then subsequent to the taking of the depositions,
20 the government then notices us with those statements when they
21 didn't use them in cross-examining the actual declarant. We
22 think it's really not a question of straight 801(d)(2)(3), but
23 it's really a more a question of estoppel or fairness and
24 really the -- sort of the sequence of events that foreclosed
25 us from the ability to address them in a way that we could

1 have because we actually had the declarants available.

2 THE COURT: I understand. You would have asked them
3 about these statements attributed to them had you known about
4 it.

5 MR. DRATEL: Yes.

6 It's a Sixth Amendment concept as well, Fifth and
7 Sixth in the sense of -- to confront the coconspirator
8 statements in the sense that the government is offering
9 coconspirator statements. We can't confront them now as we
10 could have then. And the Fifth Amendment right to prepare and
11 present a defense which was part and parcel of the
12 depositions.

13 MR. ARIAIL: Your Honor, just to be clear for the
14 record, that was their witness that they called in their
15 deposition. We weren't obligated under Rule 3500 to turn over
16 the 302s, anything that was related to what he said. But in
17 fact the government did cross-examine the witness as to the
18 specifics of the conversations that he had with Mr. Kaziu in
19 that deposition. They certainly were on notice of that. We
20 went into all sorts of things.

21 Actually, I will let Mr. DuCharme speak about it.
22 It was his witness, with respect to Armand Kalanderi.

23 MR. DuCHARME: It's in the transcript of the Rule 15
24 deposition, which is before you. Essentially what we did was
25 we confronted Mr. Kalanderi on cross-examination about his

1 knowledge of terrorist organizations and his conversations
2 with the defendant about those organizations and he denied it.

3 THE COURT: He what?

4 MR. DuCHARME: He denied it.

5 THE COURT: What are the statements that -- give me
6 some of the examples of the statements that will be attributed
7 by your witness to Kalanderi.

8 MR. ARIAIL: There will be conversations in which
9 the witness will have been -- would have participated with
10 Mr. Kalanderi and Mr. Kaziu in which they specifically discuss
11 jihad, martyrdom, Al Qaeda, ways in which they could get to
12 Afghanistan and Pakistan to fight and kill US troops overseas.

13 Mr. Kalanderi specifically offers to put them in
14 touch with another individual in order to facilitate their
15 travel to Pakistan and Afghanistan.

16 Those are the sorts of conversations. These are the
17 very heart of the conspiracy. These are the meetings that
18 they had in Cairo with people like Mr. Kalanderi in order to
19 facilitate their plans to fighting jihad.

20 MR. STERN: I think the problem with that argument
21 is that it's not really accurate. You have the Rule 15 and
22 can read it. He was never asked, did you attend a meeting at
23 which you said this or that, did you say this or that to this
24 or that person. He was asked about general ideas and said
25 those are not my ideas. Those are not my beliefs.

1 But if you read it I think you will see that the
2 specific things that they want to use were never asked of him.
3 And to the extent confrontation has any meaning, it includes
4 the right to deny things and explain why they are not true.
5 He was never given that opportunity.

6 MR. DRATEL: Your Honor, also --

7 THE COURT: I don't think either side is completely
8 right but I understand the point each of you has made. I
9 don't see a basis to preclude this testimony that otherwise
10 satisfies the requisites of the coconspirator exception to the
11 hearsay rule.

12 On the other hand, as a matter of fairness, it seems
13 to me the jury ought to know that the reason the defendant,
14 when the defendant's lawyers deposed Kalanderi, the reason
15 they didn't say to him, did you say this or not, is they
16 didn't know this question was coming. They didn't know this
17 testimony was coming.

18 So why shouldn't I allow the jury to be told about
19 the timing, that the evidence of the statements attributed to
20 Kalanderi was not in the hands of the defense when they took
21 Kalanderi's deposition?

22 MR. ARIAIL: Your Honor, the --

23 THE COURT: Otherwise, the jury is just going to
24 have the unfair impression that they dodged this issue.

25 MR. ARIAIL: Your Honor, to be fair, and I don't

1 want to bring in too much off the record conversation into the
2 record, prior to our trip to Kosovo, over a year-and-a-half
3 ago, at least, we sat down with the defense, the defendant and
4 we gave a reverse proffer to the defense and the defendant in
5 which we specifically talked about the fact that the defendant
6 was engaged in illegal conduct related to Armand Kalanderi.
7 That was a year-and-a-half ago.

8 The discovery that we provided for them has
9 adequately put them on notice of Armand Kalanderi's
10 involvement in the conspiracy. They have their client who
11 they can talk to about what conversations he had with Armand
12 Kalanderi. They have been on notice for a long time that
13 Armand Kalanderi was involved in this conspiracy. We in fact
14 turned over a series of computers that were seized in Kosovo
15 to the defense and put them on notice about those computers as
16 being potentially related to Mr. Kalanderi.

17 For them to come in and say when we went to Kosovo
18 and we deposed Mr. Kalanderi as our witness, that we didn't
19 know that he was involved in criminal activity with Mr. Kaziu
20 or the government believed that.

21 THE COURT: That's not their point, though. Their
22 point is the jury will have heard testimony that according to
23 the government Armand Kalanderi said X -- pick a statement.
24 Pick a specific statement.

25 MR. ARIAIL: I'll set you up with a guy who can get

1 you to Pakistan.

2 THE COURT: Okay. The jury will have heard that
3 testimony attributing that statement to Kalanderi. The jury
4 will also know that the defendant went to Kosovo to take
5 Kalanderi's deposition and never asked him about that
6 statement and the reason they might not have asked him about
7 that statement is they didn't know it was attributed to
8 Kalanderi.

9 I am trying to fathom -- I understand you feel
10 strongly about this but I am trying to understand the
11 cognizable prejudice to the government in letting the jury
12 know when the defense was aware of what your witness
13 attributed to Kalanderi.

14 MR. ARIAIL: I think the -- the only thing I would
15 ask for, Your Honor, before you rule is that you just take a
16 look at the transcript of what went on in Kosovo.

17 THE COURT: I will do that.

18 MR. ARIAIL: So you have an understanding of the
19 questions we did ask.

20 MR. STERN: I agree with that. I just want to make
21 clear that the government seems to think giving us information
22 is the equivalent of cross-examining someone. They asked
23 Mr. Kalanderi those questions. I suspect I know what his
24 answer would have been but we would have responded in some
25 way. To say they know things about him, they know things that

1 I am not going to discuss because I am not sure if they are
2 public or not, but they didn't ask him about those things, the
3 things that came out of computers. Had they asked him, he
4 would have had a chance to respond. That's exactly the point.

5 So I think what you are suggesting is a way to deal
6 with it and to say that we knew things and what? They have
7 the opportunity to confront him and ask him and they chose not
8 to for whatever reasons they had.

9 MR. STEINGLASS: If I may without belaboring --

10 THE COURT: Excuse me.

11 Could you find out from Ilene if all the jurors are
12 here.

13 THE LAW CLERK: They are.

14 THE COURT: You know what I want to do? Sorry. I
15 want to carry through on my promise to the jury that I am not
16 going to keep them waiting. This issue about the statements
17 and whether or not the statements all come in or just the
18 inculpatory ones you want to come in, that's our second
19 witness today?

20 MR. KAZEMI: That's correct, Your Honor.

21 THE COURT: We will take a short break before that
22 testimony, complete this argument. But having told the jury I
23 am not going to keep them waiting a moment, I don't want to
24 keep them waiting a moment.

25 Fair enough?

1 MR. DRATEL: Thank you.

2 THE COURT: Sorry to interrupt you.

3 MR. STEINGLASS: Of course, Your Honor.

4 THE COURT: You can say what you are going to say
5 later.

6 MR. STEINGLASS: Thank you.

7 THE COURT: Would you ask Ilene to bring the jury
8 in?

9 THE LAW CLERK: Yes, Your Honor.

10 THE COURT: These 302s you gave me are intended to
11 demonstrate what the government seeks to keep out and what it
12 wants to put in?

13 MR. DRATEL: Mr. Kazemi had ex'd out -- I don't know
14 how visible it is because it's a printed copy on a black and
15 white printer.

16 THE COURT: I've got it.

17 MR. DRATEL: I have highlighted what we would like
18 to put back in.

19 THE COURT: Great.

20 Thank you, sir.

21 (Jury present.)

22 THE COURT: Good morning, everybody.

23 Nice to see you again.

24 Okay. Everyone please be seated.

25 Good morning, ladies and gentlemen.

1 Now that you are comfortably seated, could you stand
2 up so I can swear you in?

3 Raise your right hands.

4 (The jury is sworn/affirmed by the Court.)

5 Okay. We are ready to start the trial. Let me
6 remind you of a few things that I've already told you on more
7 than one occasion.

8 This is a criminal case. The defendant has pleaded
9 not guilty to all four of the charges against him. By doing
10 so, he's placed on the shoulders of the government the burden
11 of proving him guilty beyond a reasonable doubt. It is a
12 burden that never shifts from the government.

13 The defendant in a criminal case is presumed
14 innocent, must be presumed innocent by you throughout the
15 trial and throughout the deliberations. Only if you are
16 satisfied that the government has proved the defendant guilty
17 beyond a reasonable doubt of a particular charge you are
18 considering does the presumption of innocence cease to
19 operate.

20 The defendant, Betim Kaziu, has no burden. He
21 doesn't have to prove his innocence. He doesn't have to prove
22 anything. As I mentioned, the burden is solely on the
23 government.

24 Consistent with those principles, the defendant has
25 the option to testify if he wishes but he also has the

1 absolute right not to testify and, as I have mentioned to you
2 already, the right to a jury that will not hold it against him
3 if he chooses to exercise his right to remain silent.

4 So no inference can be drawn against him if he
5 chooses to not take the witness stand in this case. In fact,
6 if that is his decision, you will hear me say at the end of
7 the trial, you will be ordered not even to discuss his
8 decision not to testify during your deliberations. It is that
9 important, that fundamental a right.

10 Here is how we will proceed. First you are going to
11 hear opening statements from counsel; first from the
12 government, which must make an opening statement; and then you
13 will hear -- you are going to hear from Mr. DuCharme -- right?

14 MR. DuCHARME: Yes, Your Honor.

15 THE COURT: -- in opening. Then you are going to
16 hear an opening statement from Mr. Steinglass on behalf of the
17 defendant.

18 The government must make an opening statement but,
19 consistent with what I have told you already, the defendant
20 doesn't have to. He has the option. I am informed the
21 defendant will avail himself of that option and thus you will
22 hear from Mr. Steinglass.

23 The most important thing to be said about opening
24 statements is they are not themselves evidence. When the
25 lawyers address you directly from that podium in openings and

1 later on in the trial in summations, it is not evidence. The
2 evidence on which you will base your verdicts will be the
3 testimony you hear from this witness stand and any exhibits
4 that I receive in evidence during the course of the trial.

5 So what the lawyers tell you directly is not
6 evidence. It doesn't mean it is not important. It is
7 important. The openings are the lawyers' opportunity to tell
8 you what they think the evidence in the case will prove or not
9 prove.

10 After you hear the opening statements, then the
11 government will proceed to attempt to prove the charges in the
12 case beyond a reasonable doubt. The prosecutors will do so by
13 calling witnesses to the witness stand. They will be placed
14 under oath.

15 The prosecutors will examine them in what we call
16 direct examination. The defense lawyers will have an
17 opportunity to cross-examine the witnesses. Sometimes there
18 is redirect examination, sometimes recross, re-redirect, all
19 in an effort to give each side a full and fair opportunity to
20 bring out from that witness whatever testimony it wishes to
21 bring out.

22 There will come a point when one of the prosecutors
23 gets up and says, the government rests its case. At that
24 point the defendant has an opportunity, but again no
25 obligation, to present evidence in defense of the charges.

1 If Mr. Kaziu and his counsel choose to avail
2 themselves of that opportunity, they will proceed in the same
3 way. They will call the witness. The witness will be
4 examined on direct by the defense lawyers, cross-examined by
5 the government lawyers, and so on.

6 There will come a point when both sides rest and
7 then the lawyers will get a chance to address you again in
8 summations, closing arguments.

9 After that, it will be appropriate, and only then
10 will it be appropriate, for you to discuss the case among
11 yourselves because then it will be time for deliberations.

12 In the meantime, as I have mentioned to you already,
13 don't discuss the case. I'll tell you the reason for that
14 hard and fast rule we have prohibiting the discussion of the
15 case is something about discussing a witness' testimony or
16 something a lawyer told you in opening statements, there is
17 something about discussing those things, and as the case
18 proceeds you will get a feel for where the pressure points
19 are, what's principally in dispute, what's not. There is
20 something about discussing those things that can cause
21 opinions to form on your part. It's the nature of the beast
22 in having a discussion about a particular topic.

23 Even if those opinions are just preliminary and
24 subject to change, it still wouldn't be right for you to make
25 up your mind even preliminarily, even subject to change, about

1 any aspect of the case, until you heard all the evidence and
2 the arguments of counsel and my instructions to you on the
3 law. That's why we have this rule where you don't discuss the
4 case until it comes time to deliberate.

5 I am going to tell you now, it is a hard rule to
6 abide by. You are going to do it. Some of you reflexively or
7 back in the jury room after a session of testimony and in good
8 faith, someone is going to say something about what the
9 witness testified to because you can lose sight of this
10 instruction. But not all of you will lose sight. As soon as
11 somebody begins discussing the case say hey, Judge Gleeson
12 told us don't discuss the case. All right. Stay off of that.

13 It's very important that when it comes time for to
14 you discuss the issues and the evidence in the case that you
15 got all the evidence before you and the arguments of counsel.

16 All right?

17 Lawyers object during trials. Never hold it against
18 a lawyer if he or she -- it looks like it will be a he if it
19 happens in this case -- objects. They are just doing their
20 job, protecting their side's interest in the case.

21 Those objections call upon me to do my job, which is
22 to decide, if what has been objected to is a question to a
23 witness, to decide whether under the Rules of Evidence you
24 ought to hear the answer to that question. If the objection
25 is to a document or some other physical exhibit, it calls upon

1 me to decide whether under those same Rules of Evidence I
2 ought to receive that disputed exhibit into evidence, which
3 means, by the way, it is available for your inspection. Not
4 always on the spot. Don't be put off if something is received
5 in evidence and it is not shown to you. There will come a
6 point when the lawyers show it to you or tell you to ask for
7 it during your deliberations.

8 Anyway, to get back to the objection point,
9 sometimes I benefit in doing my job as best I can from a
10 little bit of argument about what the nature of the objection
11 is and what the other side's response to that is, and
12 sometimes that discussion includes, often it includes the
13 answer to the objected to question or a description of what's
14 in the objected to exhibit.

15 It wouldn't make a whole lot of sense to have that
16 discussion in front of you only to then possibly rule it out
17 of bounds and have exposed you to the evidence I have ruled
18 inadmissible. So that's why we do it over at side bar during
19 the trial. I do try to keep it to a minimum. I don't like to
20 keep you waiting. But to do my job right sometimes I need to
21 bring the lawyers up to the side bar, flesh out an objection.

22 I tell you now so you know what we are doing up here
23 out of your hearing and why we are doing it out of your
24 hearing and to ask your patience in advance if that happens
25 during the course of the trial, as it inevitably does.

1 If I overrule the objection, you will hear the
2 answer to the question, or if it is an exhibit that's been
3 objected to, you will have available for your inspection that
4 exhibit. Don't accord it greater significance, don't count it
5 as more important evidence because it came in over objection.
6 It is just part of the evidence, like everything else in
7 evidence.

8 On the other side of the coin, if I sustain an
9 objection and you are not going to hear the answer to the
10 question, you won't see the disputed exhibit, don't speculate.
11 By all means, don't speculate as to what the answer might have
12 been or what was in the exhibit. Forget it. I have ruled it
13 out of bounds. We move on.

14 With Ilene's help, I have made it possible for you
15 to take notes during the trial. It seems to me only fair to
16 let jurors take notes. We take notes. So feel free.

17 A couple of admonitions about the notes. One is
18 really kind of self-evident but I will say it anyway. When it
19 comes time for you to share your views about the evidence, the
20 weight and effect of the evidence, don't let one juror's views
21 about the case assume greater significance because that juror
22 happened to be a copious note taker and someone else wasn't.
23 All right. Don't let the notes have that effect when it comes
24 time to deliberate.

25 Less obvious, but equally as important, is this. It

1 is common for jurors to have a failure of recollection as to
2 precisely what the testimony was. Sometimes precision matters
3 a lot. It is more often than you might think, jurors actually
4 have a disagreement as to what the testimony was.

5 If either of those things happens with you folks,
6 you are not going to resolve your failure of recollection or
7 your disagreement by reference to somebody's notes. Don't let
8 them become a quasi official record of the case. You see Gene
9 is here and some of his colleagues have been coming in and out
10 and will come in and out. They are taking down every word
11 that's said. It's the official record of the case. If there
12 comes a need for you to know precisely what a witness'
13 testimony was or resolve a disagreement among yourselves as to
14 what the testimony was, you will ask me for a readback and we
15 will read it back to you. Don't let the notes become a
16 transcript of the case.

17 A courthouse, you will see, even in a trial like
18 this, which is really not that long a trial, a courthouse is a
19 little community on to itself and sometimes you will run into
20 people involved in the trial, in the hallway or coming and
21 going, near the courthouse maybe. When you do, you being
22 decent folks you will nod good morning or hello. They will
23 ignore you. They won't even say hi. I am talking about the
24 people in the well of the Court. That's because they are
25 about to be placed under court order not to have any

1 communication with you.

2 I hereby order the people in the well of the Court,
3 at the prosecution table and the defense table, to have no
4 communication whatsoever with any member of this jury panel
5 during the course of this trial.

6 The reason for the order is, you probably have
7 figured this out yourselves, obviously it wouldn't be right
8 for one of these folks to talk to you about the case outside
9 the courtroom. You feel the inappropriateness of that in your
10 gut. It wouldn't look right. Even if you weren't talking
11 about the case, even if you are talking about the weather or
12 the Mets or something, it wouldn't look right if you were
13 having a conversation with one of these people.

14 That accounts for the second hard and fast rule,
15 where they have no communication with you whatsoever, period,
16 throughout the course of this trial. I mention it to you so
17 you don't think they are being rude if you happen to see them
18 and you nod hello or say good afternoon and they ignore you.
19 They are not being rude. They are following my order and I
20 want to know from you if they fail to follow my order in any
21 way, shape or form. If there is any communication to you
22 whatsoever, however innocuous it may seem, coming from anybody
23 in the well of the Court, I want to know about it, through
24 Ilene, from you.

25 Lastly, and I've told you this already, and some

1 things are so important, like not discussing the case, they
2 bear repetition. I'll tell you that every time you leave the
3 courtroom.

4 This is also something that bears repetition, and
5 that is, you can't go looking for information during this
6 trial about the trial, about the subject matter of the trial,
7 about the people involved in it. You can't let that
8 information find you. As I told you, I am not barring you
9 from your computers but I am expecting you to respect the
10 principle that when it comes time for you to deliberate, the
11 information that will be brought to bear on your verdicts will
12 be the testimony you hear from this witness stand and the
13 exhibits I receive in evidence during the course of the trial.

14 Don't go searching for information. If for some
15 reason you bump into information, you see a communication of
16 any sort about the case, avoid it. Tell someone else to save
17 it. You can read it after the trial, if you want. Respect
18 the fact that you need to, in the sense I have described,
19 quarantine yourselves.

20 No blogging, no Tweeting, no whatever-ing about your
21 jury service. No communication out from you about your jury
22 service. Respect the sanctity of a jury and of a jury's
23 deliberations when it comes time for you to deliberate. That
24 stays with you.

25 So please be sure not to violate the letter or the

1 spirit of what I tell you in that regard. All right?

2 That's all I have.

3 Are we ready with the opening statement?

4 MR. DuCHARME: I am, Your Honor.

5 THE COURT: Go right ahead.

6 MR. DuCHARME: Good morning.

7 Al Qaeda and other foreign terrorist organizations
8 have put out a call to arms, asking young men from all around
9 the world to join their fight. Betim Kaziu, the defendant in
10 this case, answered that call.

11 That's Betim Kaziu, sitting right there across from
12 you. And the evidence in this case will show that he
13 conspired to kill people, including American troops, overseas.
14 Kaziu agreed to support terrorists who have perverted religion
15 to incite violence. He traveled to the Middle East and he
16 attempted to join a foreign terrorist organization called
17 Al Shabaab.

18 During the course of this trial, you will learn how
19 the defendant, a man from Brooklyn, New York, launched this
20 terrorist plot.

21 It all started around the summer of 2008, when the
22 defendant and some of his friends took a trip to Saudi Arabia.
23 That trip piqued the defendant's interest in Islam and when he
24 got back he and his good friend Sulejmah Hadzovic did some
25 research. They went on line on their computers and they

1 discovered a mountain of propaganda, propaganda that had been
2 created by some of the world's most notorious terrorists,
3 including Osama Bin Laden.

4 Rather than be repelled by these hateful videos, the
5 defendant embraced them and he and Hadzovic spent hours a day
6 watching training videos that had been created by Al Qaeda and
7 listening to lectures by extremists, such as Anwar al-Awlaki.

8 They also studied videos that had been put out by
9 the terrorist organization Al Shabaab, which is based in
10 Somalia and which echoes Al Qaeda's message and its call to
11 arms.

12 And the defendant and Hadzovic began to form a plan.
13 By January of 2009, the defendant and Hadzovic had agreed that
14 they would join and fight with terrorists. They wanted to
15 fight in a country where Islamic law or shariah law could be
16 imposed by force. Their list of possible destinations
17 included Iraq, Afghanistan, Pakistan, Palestine and Somalia.
18 Their intended victims included American soldiers.

19 The defendant repeatedly told Hadzovic that he
20 wanted to die a martyr, a hero in the cause of a holy war,
21 entitled to rewards in the afterlife.

22 The defendant and Hadzovic knew that their plot was
23 risky. So they took steps to keep the conspiracy secret.
24 They talked in code. They referred to Somalia as the beach.
25 Sometimes they went so far as to remove their batteries from

1 their cellphones for fear that their conversations could be
2 intercepted.

3 They decided that Cairo, Egypt would be the next
4 step on their path to jihad, a war against their perceived
5 enemies of Islam. So they bought plane tickets from New York
6 to Cairo. And on February 19, 2009, the defendant and
7 Hadzovic got on a plane at John F. Kennedy Airport in Queens
8 and they flew to Cairo.

9 The plan was in motion. In Cairo, the defendant
10 found other like minded individuals who offered him help with
11 his plot. For example, he met a man named Armand Kalanderi
12 who offered assistance to him in getting to Pakistan. He also
13 met a man named Ahmed who showed him routes by which he could
14 get into Somalia to join Al Shabaab.

15 And the defendant and Hadzovic also made efforts to
16 get automatic weapons, such as AK 47 assault rifles.

17 But by May of 2009, Hadzovic, the defendant's
18 friend, he had a change of heart. Hadzovic decided to go
19 home, to leave Cairo.

20 The defendant struggled to keep Hadzovic committed
21 to jihad, telling him we can fight in the Balkans. That was
22 an area more accessible to them. But Hadzovic had had enough.
23 On August 8, 2009, Hadzovic went home. The defendant did not.

24 In July of 2009, the defendant left Cairo and he
25 went on to Kosovo, a country in the Balkans. He lived there

1 in a small apartment where he made video recordings of
2 himself. It was a kind of journal.

3 He also traveled to the Albanian coast. There on
4 the Albanian coast he recorded his good-bye, contemplating
5 that he would soon depart for paradise, jannah, a reward
6 reserved for those who die martyrs.

7 But what the defendant didn't realize while his plot
8 was unfolding was that law enforcement was close on his heels.
9 On the date of August 27, 2009, two things happened. One,
10 back in New York members of the NYPD FBI Joint Terrorism Task
11 Force approached Sulejmah Hadzovic at home and Hadzovic
12 immediately agreed to cooperate.

13 The second thing that happened that night is that
14 the Kosovo Police Service in Prizren, Kosovo, executed search
15 warrants on the defendant's apartment and on the compound of
16 an associate nearby. When the Kosovo police searched the
17 defendant's apartment and his belongings, the FBI was there
18 with them. The Kosovo police shared the evidence they
19 recovered from their searches with the FBI.

20 For example, they found the recording that the
21 defendant had made of himself on the Albanian coast.
22 Investigators also searched the defendant's laptop, and like
23 the defendant's camera, the laptop yielded significant
24 evidence of his plot. For example, a map of Pakistan,
25 training films from Al Qaeda, terrorist propaganda from

Opening - DuCharme

253

1 Al Shabaab, pictures of AK 47 s and a variety of other
2 materials.

3 So the defendant was caught before he could complete
4 his mission to kill Americans and others overseas. He was
5 arrested by the Kosovo police and within 30 days he was on an
6 FBI plane back to New York to face charges.

7 And now sitting before you, the defendant is charged
8 with four crimes.

9 One, conspiring to commit murder in a foreign
10 country.

11 Two, pledging himself in support of that conspiracy.

12 Three, attempting to join a foreign terrorist
13 organization.

14 And, four, conspiring to use automatic weapons.

15 I along with my colleagues from the US Attorney's
16 Office and the FBI, we are going to present the evidence to
17 you in this case and prove those charges beyond a reasonable
18 doubt. Here is how we are going to do it.

19 You are going to hear evidence in the form of live
20 testimony from people with personal knowledge of the facts.
21 For example, you will hear from Sulejmah Hadzovic, about how
22 he and the defendant agreed to fight and kill overseas.

23 Hadzovic has admitted to committing serious crimes.
24 He's in a unique position to take you inside this conspiracy,
25 to explain to you how someone from Brooklyn, New York, ends up

1 a dedicated terrorist.

2 You will also hear from law enforcement officers who
3 took part in the searches overseas. You will hear from an
4 expert witness who will help you understand how international
5 terrorism works, what Al Shabaab is and how the materials on
6 the defendant's computer were useful to him in joining up with
7 terrorists.

8 You will also see physical evidence recovered during
9 the searches, such as the digital camera. You will see
10 documents like travel records. You will see evidence that
11 makes clear the defendant's intentions. You will hear from
12 the defendant in his own words as they were captured on video
13 recordings, in documents, in emails, even poems he wrote.

14 At the conclusion of the case, based on all the
15 evidence that's before you, we will establish beyond a
16 reasonable doubt that the defendant is guilty and we will ask
17 you to return a verdict of guilty on all counts.

18 Thank you for your attention.

19 THE COURT: Thank you, Mr. DuCharme.

20 Mr. Steinglass.

21 MR. STEINGLASS: This is a case about two boys who
22 became very good friends around the time they went to junior
23 high school at Seth Low Junior High School here in Brooklyn
24 and one of them is Betim Kazium, who you have already in effect
25 been introduced to, and who I have the privilege and the

Opening - Steinglass

255

1 responsibility of representing, along with Joshua Dratel and
2 David Stern. And the other, as you just heard Mr. DuCharme
3 say, is Sulejmah Hadzovic.

4 And these two boys, Betim and Sulo, as he is called,
5 some years after junior high school went to Cairo, Egypt, and
6 they both are going to be here in the courtroom for you today.

7 Now, I am going to talk about some of the evidence
8 that the defense is going to introduce, that I expect we are
9 going to introduce, and some of that is going to be when we
10 ask questions and there is an answer to that question and some
11 of it is going to be videos and other kinds of -- those kinds
12 of materials that we are going to ask to be put into evidence.
13 So I am going to give you a preview of those kinds of things.

14 First, at the end of August, when Betim was arrested
15 in Kosovo, just before he's arrested, there is a video and
16 he's on this video with an air rifle and we expect that you
17 are going to see that video and you are going to hear Betim
18 talking about what -- he was basically joking around, I
19 submit, with this air rifle, what was he going to be doing
20 with this air rifle. And he says on this video something
21 about doing something in Brooklyn.

22 Second, when Sulo came back to New York on August
23 the 8th, 2009, the next day he's driving around with family
24 and he feels he's being followed. He had arrived at this
25 airport at JFK dressed, the evidence is going to show, in I

Opening - Steinglass

256

1 guess I would say, religious type clothing and he was
2 subjected to I guess extra scrutiny at the airport, is perhaps
3 the way to put it. He's come back from Cairo and he'd gone
4 actually on June 8th. He actually went from Cairo to the
5 Balkans to a place called Plav in Montenegro, where his family
6 was originally from and then he came from Plav to JFK.

7 And when Sulo realizes that he's being -- he has
8 been followed, what does he do for the next two weeks or more?
9 The evidence is going to show that Sulo stayed in his house,
10 waiting for the knock on the door for more than two weeks,
11 until the police came to talk with him.

12 And then Sulo made a deal and you are going to hear
13 about the deal and you are going to hear about how big the
14 benefits were for Sulo in this deal.

15 Now, something more the evidence is going to show
16 about Sulo. When Sulo went to Cairo, he didn't tell his
17 parents he was going the Cairo. But not only that. The
18 evidence is going to show that what he did was he went with
19 one of his brothers as if he was going to see Betim off and
20 say good-bye to him at the airport and instead Sulo gets on
21 the plane with Betim and leaves it to his brothers to explain,
22 to his mother and father, how it is that he's gone to Cairo
23 without telling them.

24 And Betim, when he's in Cairo, on May the 27th of
25 2009, or thereabouts, Betim writes an email to one of his

Opening - Steinglass

257

1 friends, a long email, and he talks about how well, if -- he
2 says basically in his email, the Egyptian police are arresting
3 people here in Cairo, in my neighborhood. And if I'm arrested
4 and I can't keep in touch with my family -- because Betim had
5 told his family he was leaving, and where he was -- I want
6 you, my friend, to pretend that you are me and try to keep my
7 parents from realizing that I'm going to be in a jail in
8 Egypt. And if it goes on for -- if it is short, I'll be able
9 to resume my contact with my family. And if it is long, well,
10 try to work it out.

11 Two boys, Sulo, Betim, trying to pretend things for
12 their parents.

13 Now, Betim's laptop, you are going to hear evidence,
14 there were a lot of things on that laptop. I am going to get
15 to them in a moment.

16 The evidence is going to show that when Betim was
17 approached by the police in Kosovo and he was interrogated,
18 questioned, he consented to the search of the laptop and that
19 the laptop was sitting in a room in the place where Betim had
20 been visiting the night before. It was sitting out in the
21 open, in this room, and that when you accessed the laptop,
22 it's got his name on it, Betim Kaziu.

23 And there were -- there were other things that were
24 out in the open, like his MySpace page, because I expect you
25 are going to see the MySpace page and you are going to see

1 some large guy with a very large sword and you are going to
2 see the kind of things that Mr. DuCharme talked about on this
3 MySpace page; Osama Bin Laden, things about 9/11, things
4 about -- that 9/11 was good and that America is bad, things
5 about destroying Israel, all kinds of things on this MySpace
6 page and other things that are going to come into evidence, I
7 expect, from Betim's computer, things with explosions and talk
8 about body parts and basically glorification of war from the
9 Muslim point of view.

10 The evidence is going to show, I expect, that this
11 kind of material is widely distributed by Al Qaeda and
12 its -- the people working with Al Qaeda and that many, many,
13 many people watch this kind of material, many Muslims watch
14 this kind of material, and the evidence is going to show that
15 young Muslim men are concerned about what are their
16 obligations, their religious obligations, to do jihad.

17 And there is going to be evidence here, what does
18 jihad mean. It has different kinds of meanings, from internal
19 struggle to fighting and what kind of fighting, et cetera,
20 et cetera.

21 And you may well have very strong reactions to this
22 material, hate type of material is one way to talk about it.
23 But I am confident that all of you will follow the judge's
24 instructions to focus on the evidence. And the question that
25 you will have to decide in the end, is there proof beyond a

Opening - Steinglass

259

1 reasonable doubt that the ingredients of these specific crimes
2 that Betim is charged with have been proven by the
3 prosecution.

4 Now, there are a few more items I want to mention.

5 There is a poem I think that was mentioned, a poem
6 which you are going to -- I expect is going to be in evidence
7 about leaking in blood. It's a poem. So think about poetry,
8 whatever you think about poetry.

9 There is some of this material on the computer I
10 expect you are going to see has basically been cut and pasted
11 from somewhere else.

12 All right. A couple of more items.

13 The video at the coastline that Mr. DuCharme just
14 talked about, the evidence is going to show, I submit, that
15 that was one interpretation, the interpretation Mr. DuCharme
16 gave you. But that there are other interpretations and there
17 may well be evidence that some of these interpretations are
18 innocent interpretations of this video that I expect that you
19 are going to see.

20 And then there is going to be a video about the
21 Statue of Liberty and you are going to -- expect you are going
22 to see that video about using hands to imitate flying planes
23 into the Statue of Liberty.

24 And you are going to see other videos besides this.
25 You are going to see videos of Betim fooling around and

GR

OCR

CM

CRR

CSR

Opening - Steinglass

260

1 fooling around with mirrors, like -- well, you will see it.
2 So I won't try to describe it.

3 This is just before he's arrested at the end of
4 August. You are going to see he's pretending to be a
5 weatherman. You are going to see one where he's pretending to
6 be in the mafia and you are going to see one where he's
7 pretending to be some kind of a drug dealer and he's writing,
8 on the video he's writing a check for a large amount of money
9 to pay for the drugs.

10 When you see those videos, you may see some of the
11 same type of fooling around that you see in that video I
12 talked about earlier, about the air rifle, where the evidence
13 is going to show that at the end of August, Betim says for the
14 camera and for the other -- well, there is a boy named Hamedin
15 whose testimony you are going to hear who is taking the
16 picture, is I think what it is, and Betim says, and you
17 will pardon my language, to my niggers back in Brooklyn.
18 Nigger's got a problem. I'll bust a cap in your ass with
19 this, with this rifle, son. Hey kid, you understand me.

20 And then Hamedin says, I understand.

21 And Brooklyn is what he's talking about.

22 Now, there are a lot more things I would like to
23 talk to you about, but I am going stop here at this point with
24 just mentioning that you are going to hear testimony from
25 Armand Kalanderi that contradicts what Mr. DuCharme said Sulo

Opening - Steinglass

261

1 is going to say. And you will also hear testimony from Bajram
2 Berisha and that was the person whose house Betim stayed at
3 the night before he was arrested.

4 And at the end of the case, after all the evidence
5 is done, the defense counsel will have a chance to talk with
6 you again and talk about the evidence that's actually come in
7 before you and I am confident you will keep an open mind until
8 we reach that point and beyond, until the judge instructs you
9 to start your deliberations later on.

10 THE COURT: Thank you, Mr. Steinglass.

11 Mr. DuCharme, call your first witness.

13 A Again, a laptop computer.

14 Q That is the same laptop?

15 A Yes, the same.

16 Q 531.

17 A The same laptop computer. It's open. The name Betim can
18 be seen.

19 Q Where is that name?

20 A In this part, the upper part.

21 Q 532.

22 A Again, the laptop computer open. This picture is taken

25 A The same, the laptop computer, but it is closed.

Rexhepi - direct/Kazemi

271

1 Q Thank you. I'm now going to show you what has been
2 marked for identification as Government Exhibit 601.

3 MR. KAZEMI: May I approach with this?

5 Q Do you recognize that item?

6 A Yes, I do.

7 Q What is that?

15 MR. KAZEMI: The government offers Exhibit 601, your
16 Honor.

17 MR. STEINGLASS: No objection.

2 THE COURT: I should never ask in front of the jury
3 if there is an objection. I want to move things along.

4 If you don't anticipate objections, rather than show
5 him once, authenticate them and go back and show them to the
6 jury, streamline it.

7 Do you anticipate the same situation with these
8 photos?

9 MR. STEINGLASS: I do. Although I'm not sure
10 exactly which photographs are being offered. But in general
11 we're not going to have any objection to any of these.

12 THE COURT: How about this: Before you do it, you
13 have a stack, show them to your adversary. If there won't be
14 objection to them I'll receive them and will only have to put
15 them on the board once.

16 MR. STEINGLASS: All right.

17 MR. KAZEMI: I can show you the pack. There are a
18 couple of pictures.

19 THE COURT: Better not use all the time we save here

5 Kaziu; a driver's license belonging to Betim Kaziu, issued by
6 the State of New York. A copy of a bank card, HSBC.

7 Q I'm going to zoom in for one second.

8 That is the driver's license you're referring to?

9 A Yes.

10 Q Now, Exhibit 540. What is that?

11 A It's a CD and itinerary.

12 Q Where is that itinerary in that photo?

13 A Here. Also a copy of the driver's license.

14 Q Whose itinerary was that?

15 A It's in the name of Betim Kaziu.

16 Q Just a few more. 541, what is that.

17 A A camera.

18 Q Where was that found?

19 A In the apartment where Betim Kaziu lived, Besnik Muqaj
20 Street, Building Number 10, third floor, in the City of
21 Prizren.

22 Q 542. What do you see there?

23 A It's a camera under the table and a couple of books in
24 this area here.

25 Q Also found in the apartment of Betim Kaziu?

Rexhepi - direct/Kazemi

276

1 A Yes.

2 Q The same camera from 540?

3 A The same camera that we took a picture of -- that we
4 photographed and seized.

5 Q And just two more for now. 543. What is that?

6 A It's a CD and a SIM card.

7 Q I'm going to zoom in. Can you show the jury where the
8 SIM card is.

9 A Yes.

10 Q That was also found in the apartment of Betim Kaziu?

11 A Yes.

12 Q Finally, 544.

13 A Yes.

14 Q What is that?

15 A This is also the CD and the SIM card, but the picture is
16 taken from up close, a closer position.

17 Q Thank you.

18 MR. KAZEMI: May I approach, your Honor?

19 THE COURT: Yes. You have something you want show
20 him?

21 MR. KAZEMI: Yes.

22 Q I'm showing you what has been marked for identification
23 as Government's Exhibits 701, 703, 704 and 705. Can you
24 please take a look at those.

25 A Yes. 701 is the camera. It is the same with the one

Rexhepi - direct/Kazemi

277

1 that we photographed and seized on August 27, 2009. The
2 address is Besnik Muqaj Street, Building Number 10, the third
3 floor, the apartment where Betim Kaziu lived.

4 MR. KAZEMI: The government offers 701.

5 THE COURT: Any objection, sir?

6 MR. STEINGLASS: No objection.

7 THE COURT: Received.

8 (So marked.)

9 Q Could you please take a look at 703, 704 and 705 and let
10 us know if they were also found in the apartment of Betim
11 Kaziu.

12 A Yes. 703 is the American passport belonging to Betim

14 address as I mentioned before.

15 Q And 704 and 705.

16 A 704 is a copy of the American passport belonging to Betim
17 Kaziu, the driver's license, a copy of it. It was issued by
18 the State of New York belonging to Betim Kaziu.

19 705 is a copy of the bank card, HSBC, in the name of
20 Betim Kaziu.

21 MR. KAZEMI: The government offers 703, 704 and 705.

22 MR. STEINGLASS: No objection.

23 THE COURT: Received.

24 MR. KAZEMI: Permission to briefly publish it to the
25 jury?

Rexhepi - direct/Kazemi

278

1 THE COURT: Yes.

2 (So marked.)

3 (Pause.)

4 MR. KAZEMI: May I approach with two final items?

5 THE COURT: Yes.

6 MR. KAZEMI: Thank you.

7 THE COURT: Are they pieces of paper?

8 MR. KAZEMI: No, your Honor. One of them is a piece
9 of paper. One of them is a different item.

10 THE COURT: You can bring them up.

11 MR. KAZEMI: Thank you.

12 Q I'm showing you what have been marked as Government
13 Exhibits 709 and 717 for identification. Do you recognize
14 those?

15 A Yes, I do.

16 Q What are they?

17 A This is an itinerary, 709 in the name of Betim Kaziu.

18 Q When you say "this," was that 709?

19 A Yes.

20 Q Yes.

21 A 717 is a SIM card.

22 Q Was that the SIM card found in Betim Kaziu's residence?

23 A Yes, it's the same.

24 MR. KAZEMI: The government offers 709 and 717.

25 MR. STEINGLASS: No objection, your Honor.

Rexhepi - direct/Kazemi

279

1 THE COURT: Received.

2 MR. KAZEMI: Thank you, your Honor. Permission to
3 publish?

4 THE COURT: Yes.

5 MR. KAZEMI: Thank you.

6 (Pause.)

7 MR. KAZEMI: That was 709. This is 717.

8 (Pause.)

9 Q Sergeant Rexhepi, I'd like to show you two additional
10 photographs that the government is offering for identification
11 at this time. They are Government Exhibit 713 A and 713 B.

12 MR. KAZEMI: Your Honor, with your permission I'll
13 use the Elmo for these two?

14 THE COURT: Yes, go ahead.

15 Q Do you recognize that photograph?

16 A Yes.

17 Q What is that?

18 A It's a manual or handbook how to use a gun.

19 Q Where was that photograph taken?

20 A This picture was taken from the apartment where Betim
21 Kaziu was living at the time, Besnik Muqaj Street, Building
22 Number 10, the third floor, the City of Prizren.

23 Q I'm showing you 713 B for identification. Do you
24 recognize that?

25 A Yes, I do.

Rexhepi - direct/Kazemi

280

1 Q What is that?

2 A The same object, the handbook how to use a gun found and
3 photographed in the apartment where Betim Kaziu lived. It's
4 the same address, Besnik Muqaj Street, Building Number 10,
5 third floor, in Prizren.

6 MR. KAZEMI: The government offers 713 A and 713 B.

7 MR. STEINGLASS: May I approach briefly?

8 THE COURT: No.

9 You object?

10 MR. STEINGLASS: Yes, your Honor.

11 THE COURT: Overruled. Received.

12 (So marked.)

13 MR. STEINGLASS: May I make my objection?

14 THE COURT: Later.

15 MR. KAZEMI: Permission to publish, your Honor.

16 THE COURT: Yes. Received.

17 (So marked.)

18 Q That is 713 B.

19 A Yes.

20 MR. KAZEMI: Now I'm publishing 713 A. There is one
21 fine photo, your Honor.

22 THE COURT: All right.

23 Q I'm showing you, Sergeant Rexhepi, what has been marked
24 for identification as Government Exhibit 535. Do you
25 recognize it?

Rexhepi - direct/Kazemi

281

1 A Yes.

2 Q What is that?

3 A It's a driver's license issued by the State of New York
4 in the name of Betim Kaziu. Also a cellphone.

5 MR. KAZEMI: The government offers Exhibit 535.

6 MR. STEINGLASS: No objection.

7 THE COURT: Received.

8 Q Now, Sergeant Rexhipi, I'm showing you an item that has
9 been marked as Government Exhibit 702 for identification.

10 A Yes.

11 Q Do you recognize that item?

12 A Yes, I do.

13 Q What is that?

14 A A driver's license issued by the State of New York in the
15 name of Betim Kaziu.

16 Q Where was that seized?

17 A The apartment where Betim Kaziu lived.

18 Q Was that seized at the apartment or somewhere else?

19 A No, this was taken from -- Betim had the driver's license
20 with him and we took it from him.

21 MR. KAZEMI: The government offers 702.

22 THE COURT: Any objection?

23 MR. STEINGLASS: No, your Honor.

24 THE COURT: Received.

25 (So marked.)

Rexhepi - cross/Steinglass

282

1 THE COURT: Will you take it out of that evidence
2 envelope, please.

3 MR. KAZEMI: Yes, your Honor.

4 Thank you, your Honor. No further questions.

5 THE COURT: Thank you, Mr. Kazemi.

6 Mr. Steinglass.

7 MR. STEINGLASS: Thank you, your Honor.

8 CROSS-EXAMINATION

9 BY MR. STEINGLASS:

10 Q Sir, at the home of Bajram Berisha that was searched on
11 the date that you mentioned, one of the items that was found
12 there was an air rifle; is that right?

13 A Where?

14 Q The home of Bajram Berisha.

15 MR. ARIAIL: Objection.

16 THE COURT: Sustained as to form.

17 Q You said earlier today that, if I have it right, that
18 there was a search I think on August 27th of 2009 of two
19 places; is that right, that you participated in?

20 A Yes.

21 Q Was one of these places --

22 MR. KAZEMI: Objection, your Honor.

23 THE COURT: Come up.

24 (Sidebar.)

25 MR. ARIAIL: Your Honor, the issue is, Mr.

Rexhepi - cross/Steinglass

283

1 Steinglass appears to be inquiring about the recovery of an
2 air rifle at the Bajram Berisha house.

3 THE COURT: That is one of the two searches?

4 MR. ARIAIL: Yes.

5 If Mr. Steinglass inquires as to the search, the
6 recovery of the air rifle presumably to suggest that the
7 defendant didn't have access to serious weaponry at that
8 location, that would be completely contradictory to what we
9 know to be the truth, which is at that location, in addition
10 to the air rifle, there was an AK-47 recovered; there were at
11 least 60 or 70 bullets; there was a 9-millimeter pistol, a
12 shotgun; there was a hand grenade, a grenade launcher.

13 So, to the extent that he inquires on that issue, he
14 opens the door to inquiry and further introduction of evidence
15 by the government as to the access to the other weapons.

16 I want him to be on notice before he goes through
17 that door. We endeavored not to bring those things in, but
18 once he opens that door we think that we are completely
19 entitled to bring that in to show the defendant had access to
20 weapons.

21 THE COURT: Just so I'm clear. The other stuff you
22 mentioned was also seized at that location?

23 MR. STEINGLASS: I can withdraw the question.

24 MR. ARIAIL: The AK-47, the grenade, the rifle,
25 shotgun, that was also seized at Bajram Berisha's house,

Rexhepi - cross/Steinglass

284

1 separately at Mr. Berisha's personal residence. There are
2 five grenades at least, an AK-47 with a large quantity of
3 ammunition.

4 We have gone out of our way not to bring that in to
5 prejudice the defendant. They are opening the door. This
6 was --

7 THE COURT: I think I understand. It sounds like
8 the issue is off the table.

9 MR. STEINGLASS: Yes, your Honor.

10 THE COURT: At least temporarily.

11 MR. STEINGLASS: I don't know what they are planning
12 to induce from Bajram Berisha's testimony or not because I
13 haven't seen their objections until today. They were handed
14 to us a moment ago.

15 THE COURT: You've taken the question off the table.
16 We don't have an issue to deal with right now.

17 MR. KAZEMI: The witness did answer the question so
18 we ask that it be stricken from the record.

19 THE COURT: Any objection?

20 MR. STEINGLASS: No.

21 THE COURT: Granted.

22 (Open court.)

23 THE COURT: I told you that would happen from time
24 to time. Thanks for your patience.

25 BY MR. STEINGLASS:

Rexhepi - cross/Steinglass

285

1 Q Sir, you were shown a little while ago two exhibits which
2 we are calling 713 A and B. The interpreter interpreted your
3 answer about these two items, which I'm holding up, perhaps
4 you should try to put them on the screen --

5 THE COURT: You're holding up the answers? I don't
6 understand.

7 MR. STEINGLASS: 713 A and B.

8 THE COURT: You're holding up the exhibits.

9 Go ahead. Put them on the screen, if you wish.

10 Q Is this a catalogue; is that right?

11 A Yes. How the weapon is being used, about.

12 Q What is the word that you used in your language for
13 catalogue?

14 A Manual.

15 Q Manual?

16 A Manual.

17 Q And did you have occasion at some point to look inside
18 this manual, what you call a manual?

19 A We just took photographs, took pictures and collected
20 them.

21 Q This is a photograph of the outside of this item, right?

22 A Yes.

23 Q Do you have any photographs of the inside of it?

24 A No.

25 Q Do you know how many pages were inside?

Rexhepi - cross/Steinglass

286

1 A How many pages?

2 Q Yes.

3 A I don't know.

4 Q Did you yourself at some point actually look inside this
5 item?

6 A Just for that moment.

7 Q You mean when you were at that place, at that apartment
8 on that night?

9 A Yes.

10 Q Is there another word besides manual in your language for
11 the word catalogue?

12 A Can you repeat the question.

13 Q Well, let me ask it this way. In English we would draw a
14 difference, a distinction between a manual as how to do
15 something and a catalogue, various items that is not how to
16 use something -- is there such a distinction in your language?

17 A We use only one word. The other one that can be used is
18 like handbook.

19 Q I can't hear you, the other one is --

20 A A handbook.

21 Q All right. Let me move on to something else. You said
22 that the main police headquarters, if I have it right, is in a
23 place called Pristina, in Kosovo?

24 A Yes.

25 Q And how far is the City of Prizren, where you work, from

Rexhepi - cross/Steinglass

287

1 Pristina?

2 A Forty-six kilometers.

3 MR. STEINGLASS: I cannot hear the interpreter's
4 answer.

5 A Forty-six kilometers. Sorry.

6 Q What kind of way is there to get from one place to the
7 other, some kind of highway or something similar?

8 A It's not a highway. It's just a street. It's an
9 asphalted one.

10 Q Regular two-way road?

11 A Yes.

12 Q And there is a place called Camp Bondsteel not to far
13 from Prizren; is that right?

14 A Yes.

15 Q And that is a U.S. military installation; is that right?

16 A Yes.

17 Q And how far is Camp Bondsteel from Prizren?

18 A About one hour by car.

19 Q Have you ever been to Camp Bondsteel?

20 A Not inside.

21 Q But you've been to, what, the entry place or someplace
22 near it?

23 A I passed through the street close to the entrance because
24 the street to a place called Vitan, or VT, goes from there.

25 Q When was this, sometime in the last year or two?

Rexhepi - cross/Steinglass

288

1 Withdrawn. Sometime on or before August 27, 2009?

2 A I don't remember the date.

3 Q Was it around 2009 or so?

4 A I don't remember, I don't know.

5 Q Within the last three or four years?

6 A I don't remember when because I have no connection with
7 this part. I remember that I have passed close but I don't
8 remember when.

9 Q When you did pass by on that occasion you saw guards at
10 the entry?

11 A The camp is not very close to the street and I was not
12 interested to see if there were guards or not, but the camp
13 can be seen from the street.

14 Q From what you could see, was that the kind of entry that
15 you could just drive in if you wanted to or was that the kind
16 of entry where there was some kind of a gate that you have to
17 stop at, do you recall?

18 A I was not interested to see into those kind of details.

19 Q Yes, I understand. But I'm asking you to the best of
20 your memory what do you remember in that regard?

21 A It has been a long time when I went close to that place
22 and usually I don't go and I'm not interested about that part
23 so I don't remember.

24 Q Can you tell us what city or town Camp Bondsteel is
25 located in?

Rexhepi - redirect

289

1 A It's in the suburban area of the Town of Ferizataj.

2 MR. STEINGLASS: No further questions, your Honor.

3 THE COURT: Thank you, Mr. Steinglass.

4 Is there anything further, Mr. Kazemi?

5 MR. KAZEMI: Briefly, your Honor.

6 REDIRECT EXAMINATION

7 BY MR. KAZEMI:

8 Q Sergeant Rexhepi, are there NATO troops in Kosovo?

9 A Yes.

10 Q And what is NATO?

11 A NATO is a military organization, international.

12 Q Why are they in Kosovo, if you know?

13 A They were established in Kosovo after the war to take
14 care of the security of Kosovo. Mostly for the protection of
15 the borders.

16 Q Are there NATO troops elsewhere in the Balkans?

17 A I don't know.

18 Q Are there U.S. troops in Kosovo?

19 A Yes.

20 Q Are there U.S. troops at Camp Bondsteel?

21 A Yes.

22 Q Are there U.S. troops in other parts of the Balkans?

23 A I don't know exactly where.

24 Q Why are there U.S. troops in Kosovo, if you know?

25 MR. STEINGLASS: Objection.

Rexhepi - recross/Steinglass

290

1 THE COURT: Sustained.

2 MR. KAZEMI: No further questions.

3 MR. STEINGLASS: May I?

4 THE COURT: Is there anything further, Mr.
5 Steinglass?

6 MR. STEINGLASS: Yes, your Honor.

7 RECROSS EXAMINATION

8 BY MR. STEINGLASS:

9 Q Sir, you just referred to a war in Kosovo, I believe is
10 what you said. Can you tell us when, approximately, that was?

11 A Yes. It happened in 1998, 1999.

12 Q Was this essentially a war for Kosovo's independence?

13 MR. KAZEMI: Objection, your Honor.

14 THE COURT: You brought it up. I will allow a
15 little bit of it. Overruled.

16 A It was a liberation war.

17 Q And in this liberation war, the United States helped
18 Kosovo in that war; is that right?

19 A Yes.

20 Q And the United States is still helping Kosovo maintain
21 its independence; is that right?

22 A Yes, as I told you, yes.

23 Q And many people in Kosovo are very grateful to the United
24 States for the United States's help in the liberation war and
25 maintaining and gaining Kosovo's independence; is that right?

Rexhepi - recross/Steinglass

291

1 A Yes.

2 MR. STEINGLASS: Nothing further, your Honor.

3 THE COURT: There's nothing further, is there?

4 MR. KAZEMI: Nothing from the government, your
5 Honor.

6 THE COURT: You're excused. Have a good day.

7 (Witness excused.)

3 about the testimony of the next witness about the statements
4 that he will say were made by the defendant.

5 If I have it right -- and this is a useful way of
6 putting it to me -- the information that's on these 302s,
7 generally speaking, what the government seeks to not elicit
8 from the witness is what is crossed out here and what you
9 highlighted in yellow, Mr. Dratel, is the information that you
10 think ought to be included among the statements attributed to
11 Mr. Kaziu, correct?

12 MR. DRATEL: With the exception of one or two
13 sentences. I've gone back over and tried to trim it some
14 more, but, yes.

15 THE COURT: As I understand the legal landscape,
16 the government is permitted to offer statements by the
17 defendant against the defendant, but when statements by the
18 defendant are offered by the defendant himself the same avenue
19 of admissibility is not available, you have a hearsay issue to
20 deal with and my understanding of the governing principle is,
21 to the extent, and only to the extent that what the government
22 seeks to leave out renders misleading or -- basically renders
23 misleading what it purports to elicit do you have a legitimate
24 claim that needs to be included.

25 Do you agree with that, that is the legal principle?

1 MR. DRATEL: Not completely.

2 THE COURT: Go ahead.

3 MR. DRATEL: The Rule 106 completeness issue is
4 obviously one part of it, but that only covers certain parts
5 of it and that is really about getting a full picture of the
6 relationship, and I think most of what the government has cut
7 out in terms of narrative parts of it are about the
8 relationship with Blerim Skoro, and in order to put that in
9 its proper context and its full context, the stuff that is
10 left out, there is really no reason to leave it out compared
11 to what is left in other than essentially reducing the
12 chronology in a way that we think narrows it to the point
13 where it does not provide the complete picture and that the --
14 I'm not -- I know the court knows the rule of completeness,
15 but in the context of fairness and justice, which what is the
16 rule and all the cases talk about, I think that those should
17 come in as well, the paragraphs that talk about the time
18 frames and how he got to Kosovo, what the relationship was
19 there as opposed to just very narrow limited parts of it,
20 about using weapons or trying out weapons, which is what the
21 government will reduce it to. It's really a much fuller
22 chronology than that.

23 THE COURT: Just to keep them separate so we're on
24 the same page about what rule is being applied. I really
25 don't understand you to be saying other than what I'm saying.

1 MR. DRATEL: No, no, that was the first part. That
2 has to do with narrative.

3 Then there are some other parts that are not hearsay
4 at all. Those reflect the state of mind of Mr. Kaziu. So for
5 example, some of them -- most of them are state of mind in the
6 context of the classic -- United States v. Dimaria, 727 F.2d,
7 265, Second Circuit, 1984. That is the essential case and all
8 the cases following since then is that a defendant --

9 THE COURT: There are many more cases distinguishing
10 Dimaria.

11 MR. DRATEL: I understand. It's right in there.
12 It's there with the classic Hillman evidence that dates back
13 to the 1890s in the Supreme Court about which is where the
14 rule comes from, state of mind.

15 In terms of his intention; I plan to go to Pakistan
16 for a month and come back. I plan to go back to the United
17 States. Those types of intention issues I think are not
18 hearsay at all. So in that sense they don't require 106.

19 They are outside the hearsay rule entirely.
20 Self-serving doesn't matter, Dimaria's clear on that, that is
21 a Wade issue not admissibility and the declarant's
22 availability is also irrelevant.

23 THE COURT: Understood. Which of those fall within
24 that latter narrower doctrine?

25 MR. DRATEL: I'm looking right now at AC-4, which

1 has a lot fewer issues and that one I think is just -- that
2 one has to do with completeness, those two paragraphs at the
3 bottom.

4 Six is the one that has a much more -- much higher
5 volume of material that we're talking about.

6 Page two of six, the second full paragraph. A
7 statement of intention.

8 THE COURT: Okay. The Hillman doctrine and Dimaria
9 are separate principles, right?

10 MR. DRATEL: Yes.

11 Then page five. If you look at the last sentence of
12 the second full paragraph, the one -- they all again Kaziu
13 advised, but the one that says Kaziu advised that he has been
14 communicating, he was planning on staying in Cairo for a while
15 to --

16 THE COURT: Slow down. I got it.

17 MR. DRATEL: You see the sentence your Honor?

18 THE COURT: Yes.

19 MR. DRATEL: Then on page, bottom of page six, the
20 last sentence, last paragraph, two lines, about his intention
21 about traveling.

22 THE COURT: Yes.

23 MR. DRATEL: To stay for one month. I think that's
24 it on the intention.

25 THE COURT: Okay.

1 MR. DRATEL: The third part, this really relates to
2 two paragraphs, and I will enumerate right now, which is in
3 six on page two, paragraph in the middle of the page, when
4 asked about the video of himself on the coastline. That's
5 one.

6 THE COURT: Sorry? Where is it?

7 MR. DRATEL: Page two, on AC-6, AC-6, the longer
8 one, the longer 302.

9 THE COURT: Got it. I have my eyes on the
10 paragraph. What is the point you're making?

11 MR. DRATEL: Let me enumerate the other paragraph,
12 if I may, your Honor. It's in the same one. Actually I
13 thought it was the other one, but the same one, the bottom of
14 page three on to page four, that paragraph that ends page
15 three and goes on to page four. It talks about the Statue of
16 Liberty.

17 In addition to state of mind, your Honor, because it
18 really asks a why question essentially and he answers why,
19 which is state of mind. But in addition, the government's
20 expert particularly with respect to the -- with these videos
21 the government's expert is going to be asked to opine on this
22 and here we have a version of it that -- I mean, if I'm going
23 to be allowed to cross-examine the expert on it, because it
24 doesn't necessarily have to be admissible to do that, or
25 admitted to do that, that's one thing, but I thought I would

1 get it in here, but if the court would let me do that with the
2 expert there is really no need to do that now.

3 THE COURT: Let's take baby steps. Right now the
4 government wants to elicit what it says are statements of the
5 defendant.

6 You're saying that when it does so, whatever happens
7 with the expert or doesn't happen with the expert, maybe it
8 will come up again, but here you're relying on Rule 106,
9 which, I think in this context, since it's not a recorded
10 statement, kind of look at it through the filter, if I read
11 the case law right under Rule 611 of the Federal Rules of
12 Evidence, and on this dimension the question is whether, to
13 use the Circuit's language, it's whether the portion of the
14 statement that the government seeks to keep out are
15 explanatory and relevant to the portions it wants in. That's
16 one piece of its inquiry.

17 MR. DRATEL: Yes.

18 THE COURT: The second piece of it, as I understand
19 your argument -- I think it's a good one, at least with
20 respect to those statements you just identified -- is it's a
21 statement of the defendant -- but it doesn't matter -- the
22 declarant's then existing mental state that is an intention to
23 do something. Hillman was going to go to Alaska.

24 MR. DRATEL: Crooked Creek. That's all I remember.

25 THE COURT: That seems like a pretty good argument

1 to me as it relates to these excerpts you just identified.

2 Is there a third piece now or is the third piece
3 linked up to the second piece?

4 MR. DRATEL: The third piece is really about the
5 state of mind. He's asked what -- it's his state of mind in
6 making those videos. That is one part. The second part would
7 be the expert as well. They would come in anyway in
8 cross-examination of an expert who would be opining on these
9 videos.

10 THE COURT: I think the breath of this state of mind
11 avenue is not what you want it to be, but I understand it.

12 Anything else you want to say?

13 MR. DRATEL: Yes. This may be obviated by the
14 government's examination, but I don't know whether -- there
15 are some parts that remained in, the parts that the government
16 did not excise that relate to Mr. Kaziu's declining to name
17 someone here and there.

18 I think there are two instances where it says he
19 didn't give the name of the person, although he described his
20 relationship and what they did together, and I don't know
21 whether the government intends to elicit that but we would
22 obviously object because it's really a comment on his
23 invocation of his rights with respect to particular questions
24 and information, and it's sort of a comment on his sort of, I
25 guess -- a functional invocation even if it's not an explicit

1 invocation.

2 THE COURT: I'm sorry. What are you talking about?

3 MR. DRATEL: Let me try again. There's one part in
4 six, I think, which I've underlined in pen as to opposed to
5 highlighted.

6 THE COURT: Would not provide any further
7 information?

8 MR. DRATEL: Right. If the government would not
9 elicit that --

10 THE COURT: Are you going to elicit that?

11 MR. KAZEMI: I haven't seen it, your Honor.

12 MR. DRATEL: Let me show Mr. Kazemi.

13 (Pause.)

14 MR. KAZEMI: The government does intend to elicit
15 that statement.

16 THE COURT: All right. So the statement is, he's
17 not going to give any more information about Sulo, including
18 his last name?

19 MR. DRATEL: Right. The government is not going to
20 elicit it.

21 MR. KAZEMI: The government does intend to.

22 MR. DRATEL: Does intend?

23 THE COURT: I don't understand why that implicates
24 the Fifth Amendment.

25 MR. DRATEL: He's essentially not answering a

1 specific question. What is that person's name? He says, I'm
2 not telling you the name.

3 THE COURT: That's overruled. The government can
4 elicit that.

5 MR. DRATEL: Part of this issue with respect to --
6 if you notice, your Honor, in the government's redactions,
7 proposed redactions of 302s, if you look at page one of four,
8 I guess, it starts out where they want to excise the name
9 Blerim Skoro every time. The person has a name. Mr. Kaziu
10 gave the name, so that's not one where we declined to.

11 THE COURT: I understand. You're not going to
12 elicit the name?

13 MR. KAZEMI: We intend to refer to Blerim Skoro as
14 an associate.

15 MR. DRATEL: We would object to that for two
16 reasons. He has the name, he gave the name. He has another
17 nickname --

18 THE COURT: Since when are we policing the
19 terminology used in a direct? You'll get up on cross and use
20 the name.

21 MR. DRATEL: That's fair.

22 THE COURT: All right.

23 MR. KAZEMI: There are a couple of points. I'll try
24 to address each one first.

25 THE COURT: Do that one first.

1 MR. KAZEMI: With regard to the recording?

2 THE COURT: Yes.

3 MR. KAZEMI: The government does not intend to
4 elicit any testimony regarding the Statue of Liberty recording
5 or the recording on the beach, so to the extent that there is
6 a rule of completeness issue it doesn't apply here.

7 THE COURT: My fault. There are some statements
8 here. Here they are specifically: Kaziu said he was planning
9 on continuing school in Cairo. He wanted to travel to
10 Macedonia to see his family. His bank card was taken. He
11 couldn't afford to leave Kosovo.

12 Then he advised that he was planning on staying in
13 Cairo for awhile to finish studying and planning on coming
14 back to the U.S. Then lastly he advised he was planning to
15 spend a month in Pakistan and then travel back to Cairo,
16 Egypt.

17 I think, I mean, I haven't had a chance to research
18 this, I just got this argument now, but I think that falls
19 right into the heartland of that Hillman doctrine and
20 therefore it's not inadmissible hearsay. It can be offered
21 for the truth.

22 MR. KAZEMI: Your Honor, 803.3 obviously states that
23 a statement of the defendant's then existing state of mind,
24 emotion, sensation or physical condition, such as intent, plan
25 or motive, is not hearsay; however, it does not include a

1 statement of memory or belief to prove the fact remembered or
2 believed.

3 And that is the reason that Mr. Dratel is suggesting
4 that that statement from the defendant should come in, it's to
5 prove that at a future date he was to return from Pakistan.

6 The government is simply eliciting that he had plans
7 to travel to Pakistan --

8 THE COURT: Wait. What you just said is a non
9 sequitur, it is not offering a statement of his state of mind
10 to proof an historic fact. He's offering a statement of his
11 present existing state of mind as proof of what he intended to
12 do in the future.

13 MR. KAZEMI: Fine, your Honor.

14 THE COURT: All right. So those are admissible.
15 You can elicit them yourself if you want, otherwise I will
16 allow -- in either event, I'll allow counsel on cross of your
17 witness to elicit those.

18 Anything you want to add to your rule of
19 completeness based arguments, either of you?

20 MR. KAZEMI: Regarding the recordings, the
21 government's position --

22 THE COURT: What recordings?

23 MR. KAZEMI: The recordings that the defendant
24 described in his post-arrest statements, the recording on the
25 beach and --

1 THE COURT: Sorry. I think I have this right. None
2 of these statements is recorded, correct?

3 MR. KAZEMI: No, they are not recorded.

4 THE COURT: Yes, correct?

5 MR. KAZEMI: Correct, they are not recorded.

6 THE COURT: You're talking about statements about
7 recordings?

8 MR. KAZEMI: He's describing his -- he's describing
9 videos that he took himself of, a video of himself on a beach
10 and he's giving a self-serving interpretation of that video to
11 Detective Crimmins.

12 The government does not intend to elicit any
13 testimony from Detective Crimmins about that video, so if the
14 defendant wants to testify that in the video it was just a
15 video saying that you should live each day as if it's your
16 last day, which is what he told Detective Crimmins, and that
17 it's not inculpatory, he's free to take the stand, but.
18 Mr. Dratel should not be allowed to elicit through Detective
19 Crimmins the defendant's self-serving hearsay interpretation
20 of that video.

21 THE COURT: I take it your argument is that even if
22 the video were testified to, these statements would still be
23 inadmissible?

24 MR. KAZEMI: Sure. It's self-serving hearsay.

25 THE COURT: Anything further?

1 MR. DRATEL: Again, the self-serving part I think is
2 not an issue because it really is about weight. The
3 availability of Mr. Kaziu to testify --

4 THE COURT: If it weren't self-serving you wouldn't
5 be offering it.

6 MR. DRATEL: The availability of Mr. Kaziu is also
7 irrelevant. We're not looking for completeness on those two
8 issues, we're looking really for state of mind and also
9 because essentially they're going to come in any way.

10 THE COURT: If they come in any way that will moot
11 this whole issue, but they're not coming in now on this
12 ground.

13 I've reviewed these carefully and the only question
14 before me now, separate and apart from the Hillman doctrine
15 statements which I've ruled admissible -- I think Mr. Dratel
16 is right about that -- I don't believe these other statements
17 that the defendant wants to offer are admissible. I think the
18 hearsay rule precludes them.

19 The failure to elicit them does not in any sense
20 render misleading or incomplete the statements the government
21 intends to elicit. You have your objection but it's
22 overruled.

23 MR. DRATEL: Thank you, your Honor.

24 THE COURT: We'll resume in five minutes. Have the
25 witness on the stand.

1 Five minutes.

2 MR. STERN: Before that, your Honor? We need to
3 speak to Mr. Kaziu. We may have something to -- I don't know
4 how to say this -- we may have something to address to you at
5 the end of the break before the jury comes out. If we could
6 have one minute then?

7 THE COURT: Yes. You have it.

8 We will break for five minutes.

1 THE COURT: Let's bring in the jury. I'll get the
2 jury. Please get your witness on the stand.

3 MR. KAZEMI: We have three stipulations to read
4 into the record before the next witness. They're connected to
5 the previous testimony.

6 MR. ARIAIL: In terms of the witnesses, we
7 anticipated the next witness would be the cooperating witness.
8 There's some coordination that needs to take place with the
9 marshals in terms of getting him to the courtroom. I think
10 this next witness and the stips would probably take about an
11 hour, and it may be appropriate to take a break for lunch at
12 that point.

13 THE COURT: We'll take a break to bring him up for
14 lunch or not. You need a few minutes to get him up and on the
15 stand?

16 MR. ARIAIL: Yes, your Honor.

17 THE COURT: Is your witness here?

18 MR. DuCHARME: Yes.

19 THE COURT: He can come in, be bored by the
20 stipulations as well as the rest of us. Please come up.

21 Good afternoon.

22 THE WITNESS: Good afternoon, your Honor.

23 (Jury enters courtroom.)

24 THE COURT: Please be seated.

25 Sorry, we kept you waiting a little bit. We've been

1 working out here, so you know. It's not like we all took a
2 40-minute break.

3 We're ready to proceed. Before this witness, new
4 witness, you see on the stand is sworn, I'm told by Mr. Kazemi
5 there are stipulations the government is going to read to you,
6 a stipulation being the result of both sides to a case
7 agreeing that certain facts can be considered by you as
8 proven, so they stipulate to them. It eliminates the need to
9 call witnesses to testify to these facts.

10 You'll learn in a few minutes the facts that have
11 been stipulated to by the parties. You should consider those
12 facts to be proved for purposes of this case. Obviously the
13 weight you give, the significance, is up to you, the jury, as
14 is all the other evidence in the case but the fact you'll be
15 told, a stipulation is considered proved.

16 You can skip all the preliminaries in the
17 stipulation, just read the facts.

18 Are you offering it into evidence, physical written
19 stipulations or are these oral?

20 MR. KAZEMI: Yes, physical stipulations as well as
21 some additional evidence.

22 THE COURT: Make sure you give us the exhibit
23 number on the stipulation itself and, obviously, whatever
24 exhibits you're moving in based on the stipulation.

25 MR. KAZEMI: Will do.

1 The first stipulation is marked as
2 Government Exhibit 1104, indicates if called as a witness,
3 Kosovo Police Sergeant Ymridin Bellalari would testify that
4 Government Exhibit 714 is a Nokia cellular telephone recovered
5 on or about August 27th, 2009, from the person of Betim Kaziu
6 shortly after his arrest, based on the foregoing stipulation
7 testimony, Government Exhibit 714 is admissible.

8 If called as a witness; Kosovo Police Sergeant
9 Ymridin Bellalari would testify that Government Exhibit 707 is
10 a wallet recovered on or about August 27th, 2009 from the
11 person of Betim Kaziu shortly after his arrest and Government
12 Exhibit 707 A through 707 J are materials that were contained
13 inside Government Exhibit 707 at or about the time it was
14 recovered on August 27th, 2009. Based on the foregoing
15 stipulated testimony, Government Exhibits 707 and 707 A
16 through J are admissible.

17 This stipulation may be received in evidence at
18 trial.

19 At this time, the government offers Government
20 Exhibit 1104 of the stipulation.

21 THE COURT: Received.

22 (So marked.)

23 MR. KAZEMI: 714 which is the cell phone, with your
24 Honor's permission, publish it to the jury?

25 THE COURT: Received, yes, you may.

1 MR. KAZEMI: 707 A through J as well as -- 707 is
2 the wallet.

3 THE COURT: Received.

4 MR. KAZEMI: 707 A through J are various items
5 recovered from the wallet.

6 THE COURT: As a group you seem determined not to
7 use the technology.

8 MR. KAZEMI: I will.

9 THE COURT: A bunch of dinosaurs here.

10 MR. KAZEMI: This is 707 A, B, C, D, E, F, 707 G,
11 707 H, 707, and 707 J.

12 (Displayed on Elmo.)

13 MR. KAZEMI: The government offers those.

14 THE COURT: All right. I received them but I'll
15 receive them again.

16 MR. KAZEMI: Turning to the next stipulation, it's
17 Government Exhibit 1107.

18 If called as a witness, FBI Special Agent Vincent
19 Browning from the FBI Computer Analysis Response Team would
20 testify that Government Exhibit 715 is a true and correct copy
21 of electronic data extracted from Government Exhibit 714, a
22 Nokia cell phone. Based on the foregoing stipulated
23 testimony, the data contains Government Exhibit 715 is
24 admissible. If called as a witness, FBI Special Agent Vincent
25 Browning from the FBI Computer Analysis Response Team would

1 testify that Government Exhibit 601 A is a true and correct
2 copy of the hard drive of the defendant's laptop, Government
3 Exhibit 601. Based on the foregoing stipulation and
4 testimony, Government Exhibit 601 A is admissible and this
5 stipulation may be received in evidence at trial.

6 At this time the government offers the stipulation,
7 Government Exhibit 1107.

8 THE COURT: Received.

9 (So marked.)

10 MR. KAZEMI: Government Exhibit 715 which is the
11 extraction report.

12 THE COURT: Received.

13 MR. KAZEMI: Government Exhibit 601 A, the image of
14 the hard drive.

15 THE COURT: Received.

16 (So marked.)

17 MR. KAZEMI: One final stipulation. Marked as
18 Government Exhibit 1109.

19 If called as a witness FBI Special Agent Vincent
20 Browning from the FBI Computer Analysis Response Team would
21 testify that Government Exhibit 716 is a true and correct copy
22 of electronic data extracted from Government Exhibit 717, a
23 Mobinil sim card. Based on the foregoing stipulated
24 testimony, the data contained in Government Exhibit 716 is
25 admissible. This stipulation may be received in evidence at

Crimmins-direct-Kazemi

311

1 trial.

2 At this time the government offers the stipulation
3 marked as Government Exhibit 1109.

4 THE COURT: Received.

5 MR. KAZEMI: As well as the report from the sim
6 card, Government Exhibit 716 which I'll briefly publish to the
7 jury with your Honor's permission?

8 THE COURT: Yes, received.

9 (So marked.)

10 MR. KAZEMI: That concludes the stipulations, your
11 Honor.

12 THE COURT: Would you stand and raise your right
13 hand, sir.

14 A U S T I N C R I M M I N S

15 having been duly sworn/affirmed, was examined

19 THE WITNESS: Austin Crimmins, C-R-I-M-M-I-N-S.

20 MR. KAZEMI: May I proceed?

21 THE COURT: Yes.

22 MR. DRATEL: Thank you.

23 MR. KAZEMI: Nothing further.

24 THE COURT: Good. We're happy to hear that.

25 You're excused. Have a good day.

1 THE WITNESS: Thank you.

2 THE COURT: Normally we would go to 1:00 o'clock,

5 We'll break now, resume at ten of 2:00. Don't

7 (Jury leaves courtroom.)

8 THE COURT: We'll be needing both the defendant and

4 Thank you.

5 Mr. Stern, is your client back there?

6 MR. STERN: I don't know. I'll tell you in one

8 MR. DuCHARME: Your Honor, there is one matter that
9 we may want to address at side bar. It relates to a request

11 Court.

12 THE COURT: Okay. Let's wait until the defendant
13 joins us.

14 MR. DuCHARME: Sure.

15 MR. STERN: I am going to hazard to say no because
16 the door to the cell is wide open.

17 (Pause.)

18 (Defendant present.)

19 THE COURT: Yes, Mr. DuCharme?

20 MR. DuCHARME: Your Honor, after the last session, a
21 member of the press approached the government and asked if the
22 government could make available to the press a copy of the
23 head shot photo of the defendant that's in evidence as
24 Government's Exhibit 101.

25 The government takes no position with respect to the

1 disclosure publicly of that particular piece of evidence in
2 this trial. We may have a different position with respect to
3 other pieces of evidence as they become available. I know
4 Your Honor is familiar with the standard and the presumption
5 of openness with respect to these proceedings.

6 My understanding is the defense opposes the release
7 of the picture.

8 MR. STERN: True. We know the law is not good for
9 us on that. But we oppose.

10 THE COURT: Okay. With respect, I conclude the
11 objection has no merit. It is in evidence.

12 So you can make it available.

13 MR. DuCHARME: Thank you, Your Honor.

14 THE COURT: All right. Where is your witness?

15 MR. ARIAIL: Just around the corner, Your Honor.

16 THE COURT: Are you ready?

17 MR. ARIAIL: Go ahead and bring him in before the
18 jury?

20 MR. ARIAIL: Your Honor, just so the Court is aware,
21 we intend to play number of clipped videos that we previously
22 provided to defense counsel during the testimony of this
23 witness. But just so the Court is aware, and we would use my

3 peace be upon him, was divine, whereas Sunni Islam, we believe
4 that only God is divine.

5 Q What's the problem with that, as far as you are

7 A It's -- it breaks the rule of tawhid, tawhid being the
8 worship of one God alone without partners. Where in Shi'a

1 month of Ramadan.

2 And the fifth one is Hajj, to make the pilgrimage to
3 mecca.

4 Q Did you start attending the specific mosque?

5 A Yes.

6 Q Is that the Masjid Tawhid you talked about earlier?

7 A Yes.

8 Q How is that you came upon Masjid Tawhid?

9 A I knew they were from the same region where my parents
10 were from back in Montenegro and I went over there to visit
11 and see how it was and in there I met brothers like Saudin and
12 Brother Mohammad and Brother Selman and I sat down and they
13 offered me food and eventually I started going there more
14 often.

15 Q When you first started going there, was Mr. Kaziu
16 attending with you?

17 A At the very beginning, I don't believe so.

18 Q At a certain point, did he start attending mosque with
19 you?

20 A Yes.

21 Q How did that come about?

22 A We became more observant. We were good friends and we
23 went together.

24 Q When you started attending Masjid Tawhid, can you tell
25 the jury any other steps that you may have taken to become

1 more observant in Islam?

2 A Yes.

3 After becoming -- following five pillars of Islam,
4 we started following the way of the Prophet Mohammad, peace be
5 upon him, by growing our beards and shortening our pants and
6 abstaining from any type of sexual activity with woman prior
7 to marriage and, of course, not eating pork, not drinking
8 alcohol and not going out clubbing.

9 Q What's the significance of growing a beard?

10 A The Prophet, the Prophet Mohammad, peace be upon him,
11 said that the pagans used to grow their moustaches and cut off
12 their beards and Muslim should trim their moustaches and grow
13 their beards.

14 Q What's the significance of shortening the pants?

15 A From my understanding, that's the -- the arrogant people
16 of the time of the Prophet Mohammad, peace be upon him, they
17 used to drag their clothing if they were wearing robes as to
18 show the people that they were high. So we shortened our
19 pants to show that we are modest.

20 Q Now, when you began attending Masjid Tawhid, did you meet
21 any other young men who were interested in Islam?

22 A Yes.

23 Q Who is it that you met?

24 A I met Adem and Sead Husseinovic.

25 Q Can you tell the jury how you met Adem Husseinovic?

1 A Yes.

2 We used to go to the same Masjid together.

3 Q Did Mr. Kaziu Adem Husseinovic?

4 A Yes.

5 Q Can you describe the relationship among yourself, Adem
6 and Mr. Kaziu?

7 A Yes.

8 We became -- we seen each other at the mosque. We'd
9 talk about religion, talk about Prophet Mohammad, peace be
10 upon him, and his way and the companions and the brotherhood
11 between them and eventually we became really good friends.

12 Q Did the three of you discuss religion?

13 A Yes.

14 Q How often?

15 A Almost every time we went to the Masjid.

16 Q Now, Mr. Hadzovic, I know there are a lot of terms that
17 you are going to end up using as I ask you questions. I am
18 going to ask you to go through some of them at this point, if
19 you could explain them as best you could to the jury.

20 What's your understanding of these:

21 Are you familiar with the term hijra?

22 A Yes.

23 Q What is hijra, in your understanding?

24 A Hijra is migration from one place to another without
25 returning to that place in which you migrated from.

Hadzovic - direct - Ariail

363

1 Q Is hijra an Islamic term?

2 A Yes.

3 Q What about the word fitna, are you familiar with that
4 term?

5 A Yes.

6 Q What does fitna mean?

7 A Fitna is trial and tribulations.

8 Q And dunya, are you aware of -- do you know what that
9 means?

10 A Yes.

11 Q What is dunya?

12 A It means like this life.

13 Q When you say this life, what do you mean specifically?

14 A In Islam we believe that you have this life and then when
15 you die the hereafter. So dunya means this life, the life in
16 which we are living now.

17 Q What about the word jannah, are you familiar with that
18 word?

19 A Yes.

20 Q What is jannah in Islam?

21 A Jannah is paradise.

22 Q How is that you get to paradise, to your knowledge?

23 A By worshipping God alone.

24 Q How else can you get there?

25 A You can get there by being a martyr.

1 Q What do you understand the word martyr to mean?

2 A One who dies in the jihad fighting.

3 Q What about mujahideen, do you know what mujahideen means?

4 A Yes.

5 Q What is that?

6 A Like holy fighter, one who fights for Islam.

1 BY MR. ARIAIL:

2 Q What about shaheed?

3 A I think shaheed literally meaning witness.

4 Q Does it have a different meaning than witness?

5 A Probably, but there's different categories. Martyr can
6 be shaheed.

7 Q What about the Hur Al-Ayn in Islam, what is that?

8 A They are of the wives of Paradise.

9 Q What about a green bird as it relates to Islam?

10 A My understanding of a green bird is that the one who dies
11 in jihad fighting and dies a martyr. Then he is put into the
12 soul of a green bird in which he flies across the garden, the
13 rivers of Paradise.

14 Q To your knowledge, to your understanding, what happens if
15 you die in Islam and you don't die a martyr?

16 A My understanding is that you go to the trials and
17 tribulations of the grave and also the day of judgment.

18 Q Can you explain to the jury what you mean by the trials
19 and tribulations of the grave?

20 A When one dies he is put into a grave and in the grave he
21 is asked questions by the angels and if that person answers
22 correctly, then God opens up a window to Paradise and he makes
23 the grave spacious until the day of judgment.

24 As for the ones who did wrong through his life, who
25 was a criminal, and then Allah, God, he opens up a window to

1 the hellfire and makes the suffering until the day of
2 judgment.

3 Q Does the person who dies -- to your knowledge, does the
4 person who dies who is not a martyr go straight to Jannah?

5 A Who is not a martyr?

6 Q Yes.

7 A To my knowledge, no, he doesn't go straight to Jannah.

8 Q What does he have to wait for?

9 A He has to wait for the day of judgment.

10 Q How long can that take?

11 A Only God knows.

12 Q What about a person who dies a martyr, what happens to
13 him?

14 A He goes to Paradise right away.

15 Q How does he get there?

16 A How does he get there? I mean, I assume that the angels
17 bring him there.

18 Q Are you familiar with the term jihad?

19 A Yes, I am.

20 Q What is your understanding of the word jihad?

21 A A struggle.

22 Q What kind of struggle?

23 A Both an inner struggle and a physical struggle.

24 Q The struggle or the jihad that you and Mr. Kaziu sought
25 to do, was that an inner struggle or a physical struggle?

Hadzovic - direct - Ariail

367

1 A That was a physical struggle.

2 Q Are you familiar with the term jihad of today?

3 A Jihad of today?

4 Q Yes.

5 A Yes, I am.

6 Q What is your understanding of what jihad of today is?

7 A Jihad of today is talking about what's happening in
8 places like Afghanistan, Pakistan and Iraq and Chechnya,
9 Somalia.

10 Q The word kuffar, what is kuffar?

11 A Kuffar means disbelievers.

12 Q And nasheed, what does that mean?

13 A Nasheed is like Islamic song.

14 Q What is significant or specific about it?

15 A Usually when you listen to Islamic songs you will find
16 that there's no instruments used.

17 Q What about the term Islamic Caliphate, have you heard
18 that term?

19 A Islamic Caliphate?

20 Q Yes?

21 A A region or a country ruled by shariah.

22 Q What is shariah?

23 A Shariah is God's law.

24 Q Are there specific rules under God's law, that you're
25 aware of?

Hadzovic - direct - Ariail

368

1 A Yes.

2 Q Could you tell the jury a little about some of those
3 specific rules.

4 MR. STERN: Objection.

5 THE COURT: Overruled.

6 A Yes. As for the one who kills for no purpose, then he is
7 to be executed. As for the man or the woman who breaks the
8 sanctity of marriage -- let's say a man sleeps with a woman
9 while he is married, then he is to be stoned and the same for
10 the woman. As for the one who drinks alcohol then he is to be
11 flogged. As for the one who -- that's all I know now.

12 Q Now, Mr. Hadzovic, when you first started attending
13 Masjid Tawhid, would you characterize your religious beliefs
14 as being radical?

15 A No.

16 Q Over time did your beliefs become more radical?

17 A Yes.

18 Q And over time did Mr. Kaziu's become more radical?

19 MR. STERN: Objection.

20 THE COURT: Sustained.

21 Q How did your views become more radical?

22 A Well, after watching videos of the situation of what was
23 happening in Afghanistan and Iraq, with the Muslims being
24 humiliated in places like Abu Ghraib Prison Guantanamo Bay, my
25 view of America and what it was doing completely changed. My

Hadzovic - direct - Ariail

369

1 view of jihad being obligatory upon every Muslim changed.

2 Q And when was it that your views began to change?

3 A I would say '08, the year of '08.

4 Q And to your knowledge, did Mr. Kaziu's views begin to
5 change?

6 A Yes.

7 Q How did they begin to change?

8 A Just as mine. We were upset at what was happening in
9 places like Abu Ghraib Prison and Guantanamo Bay, how they
10 were humiliating and torturing the Muslims there.

11 Q And you mentioned videos. Were these, videos to your
12 knowledge, put out by specific groups?

13 A Some of them, yes.

14 Q What groups were involved in the publishing of these
15 videos that you began to watch?

16 A There was this one called As Sahab. They usually
17 produced videos that are -- that they videotape from Al Qaeda
18 members like Osama Bin Laden or Abu Yayhaal-Libi, these
19 leaders of Al Qaeda and Taliban.

20 Q Were there other groups that put out videos?

21 A Yes, there was a group of the Chechnya mujahideen in
22 Chechnya. There was Al-Shabaab in Somalia.

23 Q And did you and Mr. Kaziu watch those videos together at
24 times?

25 A Yes, we did.

Hadzovic - direct - Ariail

370

1 Q Where is it that you would typically watch those videos
2 in 2008?

3 A Usually either at my house or his house.

4 Q And how often did you watch those videos in 2008?

5 A We used to watch it a lot, like almost anytime he was
6 over my house or I was over his house.

7 Q You mentioned some people who were in the videos that you
8 watched. You said Osama Bin Laden. Did you have an
9 understanding of who he was in 2008?

10 A Yes.

11 Q Who did you understand him to be?

12 A He was the leader of Al Qaeda.

13 Q And the individual you mentioned Abu Yayhaal-Libi, who is
14 that?

15 A To my understanding he was also one of the key figures of
16 Al Qaeda.

17 Q When you watched these videos did you have discussions
18 with Mr. Kaziu?

19 A Yes.

20 Q And can you tell the jury a little bit about some of the
21 discussions that you would have in 2008 with Mr. Kaziu while
22 you watched these videos?

23 MR. STEINGLASS: Objection.

24 THE COURT: You're asking him to relate the
25 discussions he had with Mr. Kaziu?

Hadzovic - direct - Ariail

371

1 MR. ARIAIL: Yes, your Honor.

2 THE COURT: Overruled.

3 A If we were to watch videos of Osama Bin Laden, what he
4 was talking about, about how America was lying and killing the
5 Muslims in places like Iraq and Afghanistan and that the
6 people should stand up and fight against them and felt that
7 this was right, that what they were doing, Al Qaeda and
8 Taliban was right fighting against the oppressors.

9 MR. ARIAIL: May I approach, your Honor?

10 THE COURT: Yes. For what purpose?

11 MR. ARIAIL: Just to show this.

12 THE COURT: Put it on the screen.

13 Q Mr. Hadzovic, do you recognize this?

14 A Yes, I do.

15 Q What is this?

16 A These are videos and lectures of nasheed and lectures me
17 and Betim watched.

18 Q When is it that you watched these lectures and nasheeds
19 and videos on this disk?

20 A Specifically this disk?

21 Q Yes.

22 A I watched it today.

23 Q I'm sorry. Prior to today, when is it that you watched
24 these videos with Mr. Kaziu?

25 A I watched it in '08, '09.

Hadzovic - direct - Ariail

372

1 Q Mr. Hadzovic, when you guys started to watch these
2 videos, what were the first types of videos that you started
3 to watch?

4 A Chechnyan nasheeds with Chechnyan mujahideen fighting.

5 Q Were there any particular nasheeds or Chechnyan rebels
6 that you were interested in?

7 A Yes.

8 Q Can you tell the jury a little bit about that.

9 A One specific is Amir Khataab. He was the leader of the
10 Chechnyan rebels and then he was killed I believe due to
11 poison and then we looked up to him because we believed that
12 he was fighting the oppressors who were the Russians and the
13 Russians that were oppressing the Chechnyans.

14 Q Were there other Chechnyan videos that you can recall
15 watching at that time?

16 A In '08 '09?

17 Q Yes.

18 A We also watched Chechnyan training, type of training they
19 do in Chechnya.

20 Q Did any of the videos that you watched related to
21 martyrdom?

22 A Specifically on this?

23 Q Not on this disk, just generally.

24 A Yes.

25 Q Can you tell the jury a little bit about some of the

Hadzovic - direct - Ariail

373

1 videos or any video that you watched that related to a
2 Chechnyan martyr.

3 A Yes. There was this one video of a Chechnyan mujahideen
4 dying and his last words being that I bear witness that there
5 is no God but God.

6 Q And when you saw that video, how did you react?

7 A The way I reacted, I wanted to die just like this, that I
8 saw this as being a beautiful death.

9 Q And did Mr. Kaziu watch that specific video that you are
10 talking about with you?

11 A Yes.

12 Q And did he react to that video?

13 A Yes.

14 Q How did he react?

15 A In the same way as I reacted, that we liked the way in
16 which the mujaheed died.

17 Q Why is it that you liked the way the mujaheed he died?

18 A For one, being a martyr in Islam, for the cause of Islam
19 and, two, him saying the last words saying that he bears
20 witness that there is no God but God.

21 Q Why was that significant to you?

22 A Because the one who dies like that is almost guaranteed
23 Paradise.

24 MR. ARIAIL: Your Honor, if I may show the witness
25 one of the videos?

Hadzovic - direct - Ariail

374

1 THE COURT: Sure.

2 (Pause.)

3 THE COURT: Are you using a laptop?

4 MR. ARIAIL: I am.

5 THE COURT: Are you showing the witness a video?

6 MR. ARIAIL: I'm going to show him the first screen
7 shot and ask him if he recognizes it.

8 THE COURT: All right. Hang on.

9 (Pause.)

10 Q Mr. Hadzovic, I'm going to direct your attention to the
11 folder on the screen marked Government Exhibit 403 B. Showing
12 you on screen 403 B.

13 Mr. Hadzovic, do you recognize the video that is
14 about to play here?

15 A Yes, I do.

16 Q And can you tell the jury a little bit about this video.

17 A Yes. This video is depicting Amir Khataab, who was the
18 leader of the Chechnyan rebels singing a song about how he was
19 the sword of Islam, the defender of Islam.

20 Q You said sword of Islam, defender of Islam. Is that what
21 the sword of Islam means to you?

22 A Yes.

23 Q Can you just describe what goes on in this video a little
24 bit?

25 A It's a nasheed, Islamic song, with pictures and some

Hadzovic - direct - Ariail

375

1 video taking of Amir Khataab running in the bushes, basically
2 portraying the jihad in Chechnya.

3 Q What did you think of Amir Khataab at this time?

4 A I thought he was a hero.

5 MR. ARIAIL: Your Honor, may I offer 403 B?

6 THE COURT: Any objection?

7 MR. STEINGLASS: No.

8 THE COURT: Received.

9 MR. ARIAIL: Permission to publish.

10 THE COURT: Are you going to play it.

11 MR. ARIAIL: Yes, your Honor.

12 THE COURT: All right.

2 THE COURT: Who is doing the cross?

3 MR. STERN: I am.

4 THE COURT: Yes.

5 MR. STERN: I suspect -- I know the fate of this
6 objection. I have 403 objections to these. I don't want to
7 say it but every one of them are all related to this kind of
8 video. I wanted the record to reflect that I have 403
9 objections to them.

10 THE COURT: It's hard for me to assess that now at
11 sidebar on an informed basis. You're saying the probative
12 value is outweighed by unfair prejudice?

13 MR. STERN: Yes.

14 THE COURT: What is the source of the unfair
15 prejudice?

16 MR. STERN: They are more inflammatory. They don't
17 add anything. He talks about what they did, what they think
18 and what they saw. I don't think showing it does anything
19 except to inflame the jury. I don't think it adds any
20 information.

21 THE COURT: What is on them? I don't know what is
22 on them.

23 MR. STERN: Training videos, and this one happens to
24 be about this guy Khataab who was a Chechnyan warrior, him
25 doing heroic things and then dying.

Hadzovic - direct - Ariail

377

1 THE COURT: What are the heroic things he's doing?

2 MR. STERN: Fighting.

3 MR. DuCHARME: Yes. Here's why they are probative,
4 to the extent that this is to explain sort of how they got
5 interested in the violent aspect of these things.

6 The videos are frankly -- some of them are very
7 sophisticated propaganda in which they had conversations.

8 We also expect to elicit testimony from our expert
9 that with respect to some of these videos we also expect to
10 elicit from our expert that there is sort of a trove of jihad
11 materials.

12 There are classics of jihad propaganda and material
13 that in order to assimilate into a jihad culture, into a jihad
14 group, you have to have a foundation of understanding.

15 In other words, you need to be able to refer to this
16 common base of knowledge and that the way that people prepare
17 themselves to assimilate into that group is by familiarizing
18 themselves and memorizing portions of these particular videos
19 that we intend to offer.

20 THE COURT: Does the fighting include blood and
21 guts?

22 MR. STERN: None of the things they are going to
23 show, I don't think so.

24 MR. ARIAIL: There are lectures from Anwar
25 Al-Awlaki, who the witness is going to say, the specific

1 lectures they listened to inspired them to go fight, that
2 proved they needed to go fight, that jihad was an obligation
3 to fight.

4 These other videos of Osama Bin Laden, they educated
5 them on their duty as a Muslim to go fight in these countries.
6 The Chechnyan ones the same way. Also in terms of informing
7 them of what they were going to do when they got there.

8 They are training videos. They watched Al Qaeda
9 members firing guns, RPGs and learned the things they were
10 going to do when they got there.

11 With respect to Al-Shabaab, your Honor, there is one
12 specific video where Abu Mansour the leader of Al-Sjabaab,
13 specifically says in a video that if you come to Somalia we
14 will give you land and you young men come and fight with our
15 people basically to implement a Caliphate in Somalia.

16 That is the motive that, the essence of what this is
17 all about, the videos, how they radicalized themselves.

18 THE COURT: What is the running time?

19 MR. DuCHARME: We are sensitive to the issue,
20 obviously. On the defendant's laptop among the videos and
21 audio lectures that the cooperating witness watched and
22 listened to with the defendant there are hours and hours and
23 hours and hours of these things. We tried to cut them down --
24 we did cut them down to very, very small pieces.

25 The pieces, for example, that are going in through

Hadzovic - direct - Ariail

379

1 our expert, I expect through this witness, tend to run from
2 about 90 seconds to two minutes. Some are as short as ten
3 seconds. We're not looking to overwhelm --

4 THE COURT: How many are there total?

5 MR. DuCHARME: With the expert, I think we've got
6 about 20 little clips that in total are less than 30 minutes.
7 I expect that's about the same --

8 MR. ARIAIL: I have one video that is a little bit
9 longer, that is about a six or seven minute video for speech.
10 But very much it's all clips. We have narrowed it down to 20
11 clips and I showed them to defense counsel ahead of time.

12 THE COURT: Is the speech in English?

13 MR. DuCHARME: Some of them are in Arabic with
14 English subtitles in the original format.

15 MR. STEINGLASS: I ask do they include USS Cole, is
16 that included?

17 MR. ARIAIL: Yes.

18 MR. STEINGLASS: Can I just ask off the record to --

19 THE COURT: You can go away from me. We don't stuff
20 off record.

21 MR. STEINGLASS: Are you putting everything you have
22 about the USS Cole?

23 MR. ARIAIL: My witness is going to know that that
24 was the ship, an American ship --

25 MR. STEINGLASS: The pictures of after the attack on

Hadzovic - direct - Ariail

380

1 the Cole?

2 MR. ARIAIL: There is a speech that we intend to
3 offer that he watched with Mr. Kaziu in Egypt and he was -- it
4 was a very significant speech for that purpose.

5 MR. STEINGLASS: There may be pictures of dead
6 people being shown. I ask the question. Maybe yes? I'm not
7 clear, but the answer may be yes.

8 THE COURT: Anything further?

9 MR. DRATEL: Yes. One of our concerns is that the
10 tail isn't wagging the dog in terms of what would ordinarily
11 be First Amendment activity that is not criminal, such as
12 watching videos, so that doesn't overwhelm the jury. That's
13 what we are concerned about, obviously.

14 We are talking about liberty and we want to be
15 conscious of it because at this stage we're swamped by that
16 and the sight of what they saw.

17 THE COURT: The First Amendment objection is
18 overruled. The 403 objection is overruled, although I haven't
19 seen this yet.

20 Had I known this was coming, I might have observed
21 this out of the presence of the jury. I'm going to bear it in
22 mind. I will get a feel for what this is. I may revisit it
23 sua sponte.

24 MR. DRATEL: The one that might be worth looking at
25 on the break is the Cole.

Hadzovic - direct - Ariail

381

1 MR. ARIAIL: Your Honor, frankly --

2 THE COURT: You have a video of the ship with a hole
3 in the side of it?

4 MR. ARIAIL: I do. It's one of the ones they
5 watched together. There was a speech about Osama Bin Laden
6 about going overseas --

7 THE COURT: Is there a picture of the ship with the
8 hole in it?

9 MR. ARIAIL: Yes. We also have a speech from Osama
10 Bin Laden celebrating 9/11, and they watched this.

11 You know, frankly, I have been preparing this
12 witness for two months and I'm just now finding out that there
13 are real objections to these things. I don't understand them.

14 MR. STEINGLASS: Not so.

15 THE COURT: It happens.

16 MR. DRATEL: The Cole is a perfect example of what
17 they are trying to do. The photos of the Cole, the reaction
18 of the jury is irrelevant. It's the reaction of the defendant
19 and the witness that is important.

20 So they don't have to see it, all they have to do is
21 hear the witness' reaction. When they see it they have their
22 own reaction.

23 THE COURT: Objection overruled subject to my
24 revisiting it sua sponte.

25 (Open court.)

Hadzovic - direct - Ariail

382

1 THE COURT: Did Ilene fix our problem?

2 MR. ARIAIL: I think she did.

3 THE COURT: She does that.

4 (Pause.)

5 Q Mr. Hadzovic, the video that we're about to watch here,
6 what are we looking at again?

7 A The video -- Amir Khataab was the leader of the Chechnyan
8 rebels and in this video is a nasheed, a farmer song with
9 pictures and video like showing the jihad in Chechnya.

10 Q When is it that you and Mr. Kaziu watched the video
11 together?

12 A I believe in '08.

13 (Video plays.)

14 Q Mr. Hadzovic, do you have an understanding as to what the
15 weapon that Amir Khataab was carrying in this video?

16 A Yes.

17 Q What is it?

18 A An RPG.

19 Q What is an RPG?

20 A Like it shoots missiles, rockets.

21 THE COURT: Can you try to keep your voice up,
22 please. Your voice trails off and we can't hear you.

23 Keep your voice up.

24 (Video stops.)

25 A RPG.

1 Q Mr. Hadzovic, are you familiar with an individual known
2 as Abu Abdullah?

3 A Yes, I am.

4 Q Who is Abu Abdullah?

5 A He's a British Muslim that used to speak out against the
6 Americans and U.K. government.

7 Q In 2008 did you watch a speech of Abu Abdullah?

8 A Yes, we did.

9 Q When you say "we," who are you referring to?

10 A Me and Betim.

11 Q What was that speech about?

12 A It was about the desecrating of the Koran when the U.S.
13 troop flushed the Koran down the toilet.

14 Q Can you describe the video just a little bit to the jury.

15 A Yes. The video was him speaking out against U.S. and
16 U.K. governments, about what was happening in Afghanistan,
17 specifically related to the U.S. troop who flushed the Koran
18 down the toilet. Also, he's speaking about how we should hate
19 them, how we should hate them for what they do. That's almost
20 about it.

21 Q And when you watched this speech, how did you react?

22 A I liked the speech.

23 Q What about the speech did you like?

24 A That he was speaking out against what was happening in
25 places like Afghanistan and Iraq.

Hadzovic - direct - Ariail

384

1 Q Do you recall specifically what he was saying?

2 A Specifically as to what he was saying?

3 Q Yes, or generally.

4 A In the background they had them chanting "Bomb, bomb USA"
5 and then he came up and said that what they did was wrong and
6 that the Muslims had enough of their oppression and that one
7 day the shoe will be on the other foot, meaning that what's
8 happening today in the Muslim world will eventually happen to
9 America and when that day comes we will give you your rights.
10 This meaning that if Islamic rule, shariah, then you have to
11 give the Christians and Jews their rights.

12 Q In 2008 how did you feel about the implementation of
13 Islamic rule across the world?

14 A I felt that it was needed.

15 Q And under Islamic rule what are the laws that govern?

16 A Islamic rule, such as I stated before, with the one who
17 kills with no purpose, then he is to be executed.

18 The one man or woman who breaks the sanctity of
19 marriage are to be stoned. The one who drinks is to be
20 flogged.

21 As far as the Christians and Jews, then they have
22 three choices. This meaning that the battle, the taking over
23 land; that they have the choice to convert to Islam, pay
24 jizyah, which is tax or be killed, and if to pay jizyah, then
25 the Christian or Jew has rights over the Muslim, meaning that

Hadzovic - direct - Ariail

385

1 he pays the tax and he receives protection, food and shelter.

2 Q Is this something in 2008 that you desired to happen?

3 A Yes.

4 Q Did Mr. Kaziu tell you whether or not he desired this to
5 happen?

6 A Yes, we both desired this to happen.

7 MR. ARIAIL: Your Honor, if I may show another video
8 to the witness?

9 THE COURT: To the witness?

10 MR. ARIAIL: To the witness, your Honor.

11 THE COURT: Go right ahead..

12 Q Mr. Hadzovic, do you recognize what has been marked as
13 Government Exhibit 933?

14 A Yes, I do.

15 Q What is this?

16 A This is the speech that Abu Abdullah gave.

17 Q When is it that you watched this speech with Mr. Kaziu?

18 A I believe in '08.

19 MR. ARIAIL: Your Honor, we offer this exhibit and
20 request permission to publish it.

21 THE COURT: Same objection. Same ruling.
22 Received.

23 MR. STERN: The number on the exhibit?

24 THE COURT: 933, was it?

25 MR. ARIAIL: That's correct, your Honor.

9 ladies and gentlemen.

17 Let's have the jury, please.

20 resume, Mr. Ariail?

21 MR. ARIAIL: Yes, your Honor. You're going to pick
22 up by playing this video?

23 MR. ARIAIL: Yes, your Honor.

24 Q Mr. Hadzovic, Government Exhibit 933, again, could you
25 just explain what it is that we're going to be watching.

Hadzovic - direct - Ariail

387

1 A We're going to be watching a speech by Abu Abdullah
2 specifically talking about what happened with the desecration
3 of the Koran when the U.S. troop flush it down the toilet and
4 speaking about the oppression of the Muslims in today's age
5 and how basically it will reverse on them, meaning that Islam
6 will rule and the U.S. will fall.

7 (Video plays.)

8 Q Mr. Hadzovic, who is the individual in the middle of the
9 video?

10 A That is Abu Abdullah.

11 Q What is it the crowd is saying right now?

12 A I believe, "Bomb, bomb USA."

13 Q Did you have an understanding as to what the reference
14 there was to mujahed?

15 A Yes, he's talking that only mujahed, those fighting in
16 Afghanistan and Iraq and places where jihad is taking place,
17 that they are doing what men should be doing, meaning standing
18 up against oppressors.

19 Q In those places that you referred to, Afghanistan and
20 Iraq, who are the mujahed fighting against?

21 A They're fighting against U.S. troops.

2 Q Mr. Hadzovic, do you have an understanding as to what Abu
3 Abdullah was talking about in that part of the speech?

4 A Yes, I do.

5 Q What was your understanding?

6 A He's talking about the coming of Jesus, peace be upon
7 him. He's talking about when Jesus, peace be upon him,
8 arrives at the end of the days and all those who don't embrace
9 the true re religion won't be able to pay this tax where if
10 they were to pay that tax prior to that they would receive

20 THE COURT: How much more of this is there?

21 MR. ARIAIL: That's about it, your Honor.

22 THE COURT: Obviously, I've determined that this is
23 admissible evidence and that's why you're hearing it. But
24 from time to time I'm going to remind you of the ball on which
25 we're all going to keep our eye, right, which is the charges

Hadzovic - direct - Ariail

1 in this case. You're seeing these videos and one of the
2 issues in the case will be whether the government can prove
3 that certain actions were taken by the defendant and then
4 another issue will be what the mental state was of the
5 defendant when he undertook the actions the government will
6 claim he undertook.

7 To the extent you find this evidence and other
8 evidence in the case useful in finding the facts, so be it,
9 you can consider it. But it's important I think for me to
10 remind you from time to time that there's no substitute here
11 for the government proving beyond a reasonable doubt the
12 elements, the ingredients, of the crimes charged. Right?

13 So if the defendant associated himself with or
14 subscribed to extremist political or religious views, that's
15 not the element of the crime. Those facts don't constitute
16 any of the crimes charged and even if the government
17 established that, it wouldn't be a substitute for proof beyond
18 a reasonable doubt of the crimes charged.

19 Okay. So you can consider this evidence, along with
20 all the other evidence in the case. But make sure we all stay
21 rooted in what the case is about, which is the four particular
22 crimes charged and the elements of them and whether the
23 government can prove them.

24 Okay. Understood?

7 A Yes, I do.

8 Q Do you recognize this?

9 A Yes, I do.

10 Q Who do you recognize this to be?

11 A A picture of basically the Islamic Caliphate, sharia law
12 being implemented across the world in the future.

13 Q Where have you seen this picture before?

14 A I believe on Betim's computer.

15 Q When did you see it on Betim's computer?

16 A I believe in Cairo, when we were in Cairo in '09.

17 MR. ARIAIL: At this time I offer 701 0.

18 THE COURT: Any objection?

19 MR. STERN: No, your Honor.

20 THE COURT: Received.

21 (So marked.)

22 Q Mr. Hadzovic, can you explain to the jury what your
23 understanding is of what this document is showing?

24 A Yes. My understanding of it is that eventually Islam
25 will dominate the world and this is showing Africa, Middle

2 the next hundred years the whole world will be under the

4 Q Where does there picture show that the world will be in
5 the Islam Caliphate?

6 A Down here.

7 Q This picture and what Abu Abdullah were talking about in
8 that video, are those related?

9 A This specific picture?

10 Q Just generally this idea that is demonstrated in this and
11 what Abu Abdullah was saying?

12 A Yes, it is.

13 Q How are they related?

14 A Because of course Abu Abdullah want the implementation
15 sharia, that's Islamic rule, and until -- when the day of the
16 judgment or before the day of the judgment, end of days, that
17 the whole world will be ruled by Islam.

18 Q In 2008 did you believe that the whole world should be
19 ruled by Islam?

20 A Yes, I did.

21 Q Did you have conversations with Mr. Kaziu about that
22 issue?

23 A Yes, I did.

24 Q Did he tell you his opinion upon that issue?

25 A Yes. It was the same as mines, that we agreed that

2 Q Now, Mr. Hadzovic, did you and Mr. Kaziu in 2008 and 2009
3 also listen to lectures about jihad?

4 A Yes, we did.

5 Q Whose lectures did you listen to?

6 A Specifically lectures by Anwar Al-Awlaki.

7 Q Who is Anwar Al-Awlaki?

8 A He was an American-born imam.

9 Q And did he put out more than one lecture or just one?

10 A No. He put out more than one.

11 Q Can you tell the jury a little bit about the lectures an
12 Anwar Al-Awlaki published?

13 A Yes. We used to listen to lectures by Anwar Al-Awlaki,
14 lectures about the Prophet Muhammad, lectures about the
15 prophet, prior to the prophet, like Abraham and Adam and Noah
16 and Jesus, peace be upon them all. Lectures about the
17 companions of the prophet and the brotherhood between them.
18 Also the rule, when the Prophet Muhammad, piece be upon them,
19 died, when his companions were established as rulers and how
20 they ruled the country and we also listened to lectures on
21 jihad, lectures about the virtues of dying in jihad and also
22 as to why you should go fight jihad, like if you have any
23 doubts, like advice to the ones who stay behind.

4 A Lectures about the prophets and the prophets, peace be
5 upon them all, and about the companions.

6 Q Did you consider those lectures or do you consider those
7 lectures to be radical or to advocate jihad?

8 A No, I don't.

9 Q And the other ones, that was a separate group of
10 lectures, what were those about, jihad mostly?

11 A Mostly jihad, yes.

12 Q What's specific lectures did you listen to and Mr. Kaziu
13 about jihad?

14 A There was this one lecture called the virtues of the
15 martyrs and basically when a martyr dies and what he should
16 expect. Also we used to listen about the advice to those who
17 stay behind, reasons to why one would stay behind instead of
18 going out and fighting jihad, be it family or friend or wealth
19 or to live longer in this life, things of that sort.

20 Q Did those lectures have an impact on you?

21 A Yes.

22 Q What was the impact that those lectures had on you?

23 A Ultimately, the impact that it had on us was us trying to
24 and actually fight jihad.

1 A Well, I mean these are things that every single man when

4 lectures basically made it simpler for us to leave, making it
5 easier for us to leave because we knew that by leaving we're
6 doing a greater cause for the religion and for ourselves.

7 Q Where is it that it pushed you to leave to go to?

8 A We left to Cairo. But from Cairo we wanted to go to
9 places like Afghanistan, Pakistan, Somalia, Iraq.

10 Q Why did you want to go to those places?

11 A To fight and die in jihad.

12 MR. ARIAIL: Your Honor, if I may play the video?
13 It's actually just an audio.

14 THE COURT: Is it in evidence?

15 MR. ARIAIL: No it is not. Just for the witness at

22 folder there, do you recognize that file folder there?

23 A Yes, I do.

24 Q What's in that folder?

25 A This lecture is by Anwar Al-Awlaki and this specific one

Hadzovic - direct - Ariail

1 is the advice to the ones who stay behind.

2 Q Could you tell the jury just a little bit about what
3 Anwar Al-Awlaki said in this lecture?

4 A Yes.

5 In this lecture he's speaking about basically why
6 one wouldn't go out and fight in jihad and the reasons being
7 if you're thinking about family or friends or this life that
8 he gives each explanation as to why you shouldn't worry about
9 this.

10 Q When you say why you shouldn't worry about this, what is
11 it that you shouldn't worry about when you go fight jihad?

12 A Your family and friends and living a long life.

13 Q Why not?

14 A Because jihad is the greater good.

15 Q Why is it the greater good?

16 A Because if one is martyred then you live eternally. This
17 life is short. No one knows when we're going to die. We can
18 die this second or tomorrow, after tomorrow or in a year. And
19 the hereafter is eternal.

20 Q If you die a martyr for Islam, where did you go in the
21 hereafter?

22 A If you were sincere in dying as a martyr then you go to
23 paradise.

24 MR. ARIAIL: I offer Government's Exhibit --

9 Q Do you know whether or not this had an impact on

10 A Yes.

11 Q Which ones, for example?

12 A We spoke about the situation in Iraq, the situation in

12 Q Did you have an understanding as to who put those videos

17 Q Could you read aloud what's on screen right now?

18 A Yes. We will allow him to marry our daughters and share
19 our crops.

20 Q And what does that refer to?

21 A Those who come and aid Al-Shabaab in their fight against
22 the Somalian government.

23 Q Those who aid against the fight against the Somalian
24 government what?

25 A Those who aid Al-Shabaab, those who fight in jihad

1 against the Somalian government.

2 Q That's who he is referring to?

3 A Yes.

4 (Video plays.)

5 (Video stops.)

6 Q How did that video specifically affect you, Mr. Hadzovic?

7 A We believed what was happening in Somalia was oppression
8 against the Somalian people and that it was our duty as
9 Muslims to go and defend these innocent Muslims against the
10 Somalian government. Also we liked the fact that Abu Mansour
11 was offering daughters and crops for those who wished to get
12 married.

13 Q Mr. Hadzovic, after watching all these kinds of videos
14 and lectures, how did these things affect you and Mr. Kaziu
15 generally?

16 MR. STERN: Objection, as to how they affected
17 Mr. Kaziu.

18 THE COURT: Sustained.

19 Q How did these things affect you, Mr. Hadzovic?

20 A It's what ultimately made us want to go and fight in
21 jihad and we made the intentions to do it and we left with the
22 intention to do it.

23 Q Did these videos and lectures have an impact on the way
24 you perceived Islam?

25 A Yes.

Hadzovic - direct - Ariail

405

1 Q How did it have an impact on your perception of Islam?

2 A Well, first, being that it was haram, illegal to live in
3 the U.S. because I believe that being a muslim we're
4 stereotyped and somebody sees somebody with a beard and short
5 pants they automatically label him as a terrorist and I felt
6 that because of this that it was not permissible for me to
7 live in this country. Another thing was that jihad was
8 obligatory, obligatory on every single muslim around the
9 world. So every single Muslim was obligated to go and take up
10 arms wherever jihad was taking place.

11 Q Were there particular scholars and lecturers other than
12 the ones we referred to that you began to pay attention to?

13 A Specifically, we didn't really take from scholars. They
14 are more like imams or leaders in their areas. We more or
15 less neglected senior scholars of like Saudi Arabia, those who
16 were known, and we started accepting people like Osama Bin
17 Laden and Anwar Al-Awlaki and Abu Mansour and Abu Abdullah.

18 Q And the senior scholars that you referred to, did they
19 put out opinions or fatwas about certain issues in Islam?

20 A Yes, they did.

21 Q Did they put out opinions about jihad and whether or not
22 it was obligatory for Muslims?

23 A Yes, they did.

24 Q What generally were the senior scholars' opinions ever
25 whether or not jihad was obligatory?

2 named Salih Fauzan, he spoke about the Al Qaeda and Taliban
3 and that what they are doing was wrong and that they are the
4 shatans, the devils and those who aid in capturing them are
5 doing the true jihad.

6 Q The other people who you began to listen, like Osama Bin
7 Laden and Anwar Al-Awlaki, what was their opinion of jihad?

8 A That it was obligatory and every single Muslim that was
9 physically able to, to go and fight jihad.

10 Q At some point -- sorry. Which of those groups did you
11 subscribe to?

12 A I would say with the extreme group.

13 Q And to your knowledge, which group did Mr. Kaziu
14 subscribe to in that time period?

15 A We both were with people like Osama Bin Laden and Anwar
16 Al-Awlaki and what they had to say.

17 Q At some point did you and Mr. Kaziu act on your beliefs?

18 A Yes, we did.

19 Q When was that?

20 A In February of '09.

21 Q What did you do?

22 A We left from JFK Airport with the intention -- three
23 intentions actually, one making hijab, hijab meaning going to
24 Cairo and never coming back to the U.S.; two studying Arabic;
25 three, to go and fight in jihad.

1 Q And the first reason that you gave, why is it that you
2 were going to Cairo?

3 A Because I felt as a Muslim I was facing trials and
4 tribulations here in the west.

5 Q And why is it that you sought to go to learn Arabic?

6 A Two reasons, really. One being Arabic is the language of
7 the Koran, the holy book. And another being that after we
8 learned enough Arabic that we would go to places like
9 Afghanistan and Iraq because they spoke Arabic over there.

10 Q Why jihad?

11 A Because we felt that this was an obligation upon us as
12 Muslims.

13 Q Prior to traveling to Egypt to fight jihad, did you take
14 any other trips overseas?

15 A Yes, I did.

16 Q Where did you go?

17 A In the year of '07 I went to Montenegro.

18 Q Why did you go to Montenegro?

19 A To visit family.

20 Q Did you go to Montenegro for the purpose of fighting
21 jihad?

22 A No.

23 Q After you came back in Montenegro -- how long did you
24 stay?

25 A About six weeks in Montenegro.

Hadzovic - direct - Ariail

408

1 Q After you came back from Montenegro, did you go anywhere
2 else before you went to Egypt to fight jihad?

3 A Yes, I did.

4 Q Where did you go?

5 A Saudi Arabia.

6 Q When did you go?

7 A In July of '08 I believe.

8 Q And who did you go with?

9 A It was me, Betim, Adam, Sead and my brother Amal.

10 Q What was the purpose of the trip?

11 A Religious purpose, spiritual journey.

12 Q Who organized the trip?

13 A A group called Al Massira.

14 Q Did you go for the purpose of fighting jihad?

15 A No.

16 Q Prior to your trip to Saudi Arabia, had you had
17 discussions with Mr. Kaziu about jihad?

18 A I don't believe so. I mean we watched a few videos, but
19 we didn't really have discussions on it.

20 Q Had you formalized any plans to go fight jihad before you
21 went to Saudi Arabia?

22 A No.

23 Q What effect did the trip, if any, did the trip to Saudi
24 Arabia have on you in terms of your religion?

25 A I guess it made my faith in God stronger and after coming

1 back from Saudi Arabia and seeing the way life was in Saudi
2 Arabia I favored it over life in the west. I would say women
3 were dressed more modest. Over here, like in the summertime,
4 women were like more naked. It's hard for any man, especially
5 if you are not married, to do these type of things.

6 Q Did your trip to Saudi Arabia have an impact on your
7 desire to be?

8 A Yes it did.

9 Q How?

10 A After seeing life in Saudi Arabia, as to life in America,
11 I felt that making hijra for me was better to get away from
12 the trials and tribulations in the west.

13 Q Did you have conversations with Mr. Kaziu about that
14 issue?

15 A Yes.

16 Q And how did he feel about his ran at that time?

17 A He felt hijra was obligatory.

18 Q You talked about Al Qaeda earlier. In 2008, before you
19 left for I Egypt, what was your opinion of Al Qaeda?

20 A My opinion of Al Qaeda at that time was that -- that they
21 were the right doers, that what they were doing was correct,
22 that fighting the oppressors who were Americans.

23 Q And where were they fighting the oppressors who were
24 Americans?

25 A Fighting in Iraq and also in Afghanistan.

Hadzovic - direct - Ariail

410

1 Q Before you left for Egypt did Mr. Kaziu tell you his
2 opinion of Al Qaeda?

3 A Yes.

4 Q What did he tell you his opinion of Al Qaeda was?

5 A The same as mine, that what they were doing was right and
6 correct.

7 Q Now, Al-Shabaab, did you have an opinion of Al-Shabaab in
8 2008?

9 A Yes.

10 Q What was your opinion?

11 A That same thing, what Al-Shabaab was doing against the
12 Somalian government for the Somalian government oppressing
13 that was the right thing.

14 Q Did you have conversations with Mr. Kaziu about his
15 opinion of Al-Shabaab?

16 A Yes, I did.

17 Q And did he tell you what his opinion of Al-Shabaab was?

18 A Yes, he did.

19 Q What did he tell you?

20 A The same as mines, that what Al-Shabaab was doing against
21 the Somalian government was the right thing.

22 Q Now, in 2008 you and Betim, did you and Betim attend a --
23 regularly attend Masjid Tawhid?

24 A In 2008.

25 Q Yes.

Hadzovic - direct - Ariail

411

1 A Before it moved, we did.

2 Q And after it moved, did you stop attending?

3 A We didn't completely stop attending. But we didn't go
4 there as much.

5 Q Why not?

6 A The distance.

7 Q Was there another reason?

8 A I mean ultimately we stopped going because of a lecture
9 that the imam gave there.

10 Q Who is the imam you are referring?

11 A Saudin Lilicic.

12 Q Can you tell the jury what happened at the lecture that
13 Saudin Lilicic gave at Masjid Tawhid?

14 A We went there for prayer and while there, Saudin gathered
15 the brothers and we sat down and he gave a lecture and he said
16 to the people, those of you who talk about jihad, we don't
17 want you in our masjid any more because we don't want you to
18 endanger us and our families.

19 Q How did you react to that speech?

20 A At first I was kind of stunned.

21 Q Why were you stunned?

22 A Because prior from hearing Saudin Lilicic's lectures and
23 him speaking about jihad during the time of the Prophet
24 Muhammad, peace be upon him, and during the time of his
25 companions I thought to myself that he was on the same page as

Hadzovic - direct - Ariail

412

1 me.

2 Q And Mr. Kaziu he was with you, right?

3 A Yes.

4 Q And did he have a reaction?

5 A Yes.

6 Q What was his reaction?

7 A I believe the same as mines, that we were both stunned
8 and ultimately we were angry at him and we didn't return.

9 Q Why were you angry at Saudin?

10 A Because he was opposing what we believed to be truth,
11 that jihad today was happening in Afghanistan and Pakistan and
12 Iraq and other countries, that this was obligatory upon every
13 Muslim and that this should be preached.

14 Q Now, Mr. Hadzovic, after you returned from Saudi Arabia
15 when did you or Mr. Kaziu first start discussing traveling
16 overseas?

17 A I would say in October, November of '08 Betim spoke about
18 going to Pakistan.

19 Q Were you involved in that conversation?

20 A Yes, I was.

21 Q Can you tell the jury a little bit about how that
22 conversation began?

23 A Yes. Well, we were talking about hijra of course and
24 about the situation in Afghanistan, what the Americans were
25 doing to the Muslims and Betim decided that he wants to go

Hadzovic - direct - Ariail

413

1 make hijra to Pakistan. Other than making hijra he wanted to
2 go and join up with the Taliban and ultimately fight the U.S.

1 EXAMINATION CONTINUES

2 BY MR. ARIAIL:

3 Q Did Mr. Kaziu, to your knowledge, take any steps related
4 to his plan to go to Pakistan at that time?

5 A Yes, he did.

6 Q What did he do?

7 A He spoke with this one brother we knew named Hamza about
8 if he could help him in finding someone that can get help him
9 get an apartment and for him to go to school and get married.

10 Q Did he tell -- to your knowledge, did he tell Hamza that
11 he wanted to go fight jihad in Pakistan and Afghanistan?

15 Lay a foundation, please.

16 Q Were you present at the conversation with Hamza and
17 Mr. Kaziu?

18 A Yes, case.

19 Q During that conversation, did Mr. Kaziu bring up the idea
20 of fighting jihad?

21 A To Hamza?

22 Q Yes.

23 A No, he didn't.

24 Q Why did he not bring it up, if you know?

25 A To my knowledge, he didn't want to endanger Hamza for

Hadzovic - direct - Ariail

415

1 what he wanted to do.

2 Q To your knowledge, is Hamza sympathetic to the idea of
3 jihad?

4 MR. STERN: Objection.

5 THE COURT: Sustained.

6 Q What again, if you know, was Mr. Kaziu's purpose in
7 asking Hamza to help him get to Pakistan?

8 MR. STERN: Objection.

9 THE COURT: Sustained.

10 Q After you had that conversation with Hamza, did you have
11 a conversation with Mr. Kaziu?

12 A Yes.

13 Q Did he tell you what he wanted to do in Pakistan?

14 A Yes.

15 Q What did he tell you he wanted to do?

16 A That he wanted to go over there and one being for the
17 purpose of hijrah and two being to go fight in jihad.

18 Q Did he tell you what or with whom he wanted to go fight
19 jihad?

20 A Not specifically, but going there I myself knew that --

21 MR. STERN: Objection.

22 THE COURT: Did you know this -- sustained.

23 Q Prior to the conversation that you had with Mr. Kaziu
24 about going to fight jihad in Pakistan, had you discussed the
25 different groups that were there fighting jihad in Pakistan?

Hadzovic - direct - Ariail

416

1 A Yes.

2 Q Who were those groups?

3 A Primarily Taliban and Al Qaeda.

4 Q Did Mr. Kaziu tell you that he wanted to go fight jihad
5 with the Taliban and Al Qaeda?

6 MR. STERN: Objection, leading.

7 THE COURT: Overruled.

8 A Specifically?

9 Q That he -- did Mr. Kaziu ever tell you prior to this that
10 he wanted to go fight jihad with Al Qaeda and the Taliban?

11 A Yes.

12 Q During these conversations related to this -- related to
13 this Hamza or to your conversation with Hamza, did Mr. Kaziu
14 tell you whether or not he wanted to go get weapons in
15 Pakistan?

16 A Yes.

17 Q What did he tell you about that?

18 A There was this one documentary on Pakistan that it was on
19 CNN of how cheap the firearms are in Pakistan. Specifically,
20 the AK 47 being only \$20.

21 Q Did he talk with you about other weapons that he wanted
22 to get in Pakistan or Afghanistan?

23 A We spoke about many weapons, weapons like M-4s and M-16s
24 and guns like that.

25 Q During the conversation that you had with Mr. Kaziu, at

Hadzovic - direct - Ariail

417

1 that time, after speaking with Hamza, did you and he talk
2 about how Mr. Kaziu planned to get to Afghanistan from
3 Pakistan?

4 A Yes.

5 Q What did he tell you?

6 A He told me after going to Pakistan, that he would go to
7 Waziristan which was known as being a Taliban stronghold.
8 From there, joining up with them and ultimately going and
9 fighting in Afghanistan.

10 Q Did he tell you why he wanted to go to Waziristan?

11 A Yes.

12 Q Why?

13 A Because Waziristan was a Taliban stronghold.

14 Q Why was that significant for him?

15 A Because the Taliban were fighting in jihad against the US
16 troops.

17 Q During the conversations, did Mr. Kaziu ask you to come
18 with him?

19 A Yes, he did.

20 Q How did you respond?

21 A At that time, I couldn't go with him.

22 Q Why not?

23 A I wasn't -- I had no money and I had family here and I
24 was in school.

25 Q Did Mr. Kaziu tell you how he was going to pay for his

Hadzovic - direct - Ariail

418

1 trip to Pakistan?

2 A He got some money through a lawsuit for breaking his arm
3 in the monkey bars.

4 Q Do you know how much money he got?

5 A From the lawsuit?

6 Q Yes.

7 A No, I don't.

8 Q Ultimately, what happened to Mr. Kaziu's initial plan to
9 go to Pakistan?

10 A Hamza couldn't help him.

11 Q Why not?

12 A Just couldn't.

13 Q After that fell through, did you talk with Betim about
14 going somewhere else?

15 A Betim wanted to also go to Yemen for only the purpose of
16 making hijra, not for fighting jihad.

17 Q When did you start talking about Cairo?

18 A I would say, in December, January of '08, '09.

19 Q Can you tell the jury about your first conversations
20 about -- about the first conversations that you had with
21 Mr. Kaziu about traveling to Cairo?

22 A Yes.

23 From what I can remember, we were very upset about
24 what the US was doing to the Muslims and that we believed that
25 hijra, leaving this -- the US was obligatory upon us, and we

Hadzovic - direct - Ariail

419

1 decided that we would go to Cairo. Ultimately, we spoke more
2 in -- and we decided that while in Cairo, we would go and try
3 to fight jihad.

4 Q Why did you pick Cairo?

5 A We believed at that time that Cairo was a good place if
6 we wanted to go to places, like Somalia, because it was nearby
7 or other places like Israel, because Israel borders with
8 Egypt. Also, everything was pretty much closed, like Asia,
9 like Afghanistan and Pakistan.

10 Q Did you and Betim take any steps to find a place to stay
11 in Cairo?

12 A Yes, we did.

13 Q What did you do?

14 A We spoke with a friend of ours named Imran Venjara and we
15 asked him if he could help us finding an apartment. He was
16 able to through his teacher?

17 Q After you guys found an apartment through Imran, what is
18 it that you did next?

19 A Of course, we sent the money to the teacher of Imran. At
20 that time I didn't have my passport or birth certificate. So
21 I had to go and get a new birth certificate and passport.

22 Q Why didn't you have your passport and your birth
23 certificate?

24 A Because after telling my parents that I didn't want to
25 stay here anymore and they got angry. We disputed. I said

1 bad things to them and used foul language against them. They
2 didn't want to give me my passport or any of my documents.

3 Q How did you get a new passport?

4 A I first went to get my birth certificate in Downtown
5 Manhattan and after getting my birth certificate, I went
6 to -- again to Downtown Manhattan and got my passport.

7 Q After you got your passport, what did you do next?

8 A After that, we went -- we also went to tawhid to say our
9 goodbyes.

10 Q Tell the jury a little bit about what happened there.

11 A We went to tawhid, the Masjid we originally stopped going
12 to because of the lecture by the Iman. We went there to say
13 good-bye to some of the brothers, that we were going to make
14 hijra and said good-bye and left.

15 Q How did you pay for the trip?

16 A Betim paid for it.

17 Q How did he pay for it?

18 A Debit card.

19 Q Where did he get the money?

20 A Through -- the same thing, through the lawsuit.

21 Q Before you left, did Mr. Kaziu make any purchases?

22 A He bought a laptop.

23 Q Do you know where he bought the laptop?

24 A In Best Buy.

25 Q After you said your goodbyes at tawhid, what happened

1 next?

2 A I believe we just went to the airport.

3 Q Who went to the airport?

4 A Me and Betim, Adem, my brother, Sead, we all went.

5 Q What date was it that you left New York, if you can
6 recall?

7 A It was somewhere in the twenties of February.

8 Q Which year?

9 A Of '09.

10 Q What airport were you leaving from?

11 A JFK Airport.

12 Q Where were you going to?

13 A Cairo, Egypt.

14 Q Why were you leaving JFK to fly to Cairo, Egypt?

15 A Three reasons. One, being to make hijra and to leave
16 this country and never come back. And two, being to study
17 Arabic. And three being to go and fight jihad.

18 Q Now, before you left, did you create a cover story for
19 your plans to go overseas?

20 A I mean, we used to say that if we want to go to Somalia,
21 that we would refer to as the beach. Also, that we were going
22 to make hijra.

23 Q What do you mean by that?

24 A To what?

5 Q And the other piece, about hijra?

6 A Well, we never wanted to tell anybody our true purposes
7 of going to Cairo, so we just told the people that we were
8 going to make hijra.

9 Q Why -- sorry. Continue.

10 A I'm sorry.

11 Because we didn't want to endanger ourselves in
12 getting caught and also we didn't want to endanger others.

13 Q Can you give the jury an example of the time when you
14 used the code word the beach to mean Somalia?

15 A From what I can remember, one time we were in Adem's car
16 and we were speaking about jihad in general and me and Betim
17 said that we wanted to like die on the beach. Adem left
18 because he didn't want to hear it. He didn't want to be
19 any -- any part of it whatsoever.

20 Q What did you mean when you said that you wanted to die on
21 the beach?

22 A Meaning that I wanted to die in jihad in Somalia.

2 Q How did it change?

5 Q Why?

6 A Because they didn't want to allow me to do what I wanted
7 to do.

8 Q What is it that you wanted to do?

9 A Leave this country and never come back.

10 Q Did you ever tell them that you wanted to go and fight
11 jihad?

12 A No, I didn't.

13 Q Why not?

14 A Because that would be a stupid idea. My father would

16 Q What airline did you take to Cairo?

19 We arrived in Egypt. Got off the plane. Got our

2 just me and Betim at first. Eventually we started taking
3 more -- more bigger classes. That consisted maybe of like
4 about eight people and --

5 Q Ultimately, I think you said you moved apartments.

6 Where did you move to?

7 A It was still in Nasir city. But this neighborhood was
8 called Hay Thamin.

9 Q Why is it that you moved?

10 A It was cheaper and also it was closer to the school.

11 Q The people that lived in the area around Hay Thamin, were
12 they typically from Egypt or other places?

13 A It was a very diverse place. There was people from

1 BY MR. ARIAIL:

2 Q And when you got to Cairo did you continue to discuss
3 your plans to fight jihad with Mr. Kaziu?

4 A Yes.

5 Q When you first got to Cairo did your conversations with
6 Mr. Kaziu focus on, in term of jihad, focus on a certain
7 place?

8 A T first we spoke about doing jihad in Israel.

9 Q What did you speak about doing jihad in Israel?

10 A Going to Palestine and hooking up with the mujahideen in
11 Palestine and fighting against Israel.

12 Q Were there other places, when you first got to Cairo,
13 that you and Mr. Kaziu talked about going and fighting?

14 A We wanted to go to many places. We spoke about going to
15 Chechnya, Somalia, Iraq, Afghanistan, Pakistan -- Israel, as I
16 mentioned before.

17 Q When you had these conversations in Cairo, did you take
18 any steps to conceal your conversations?

19 A Yes, we did.

20 Q What steps did you take?

21 A We used to take a battery from our phone, our SIM card
22 out of our phone.

23 Q Why did you do that?

24 A Just to be cautious. We didn't want anybody listening
25 in.

Hadzovic - direct - Ariail

428

1 Q How did you have an idea that taking the SIM card and the
2 batteries out of your phone might prevent people from
3 listening in?

4 A Actually, I took that idea from a movie, the movie Eagle
5 Eye. In that movie they were saying on TV how the FBI can
6 listen on to you if you have -- if you have your SIM card in
7 it.

8 Q Were there other steps that you took, and Mr. Kaziu took,
9 to conceal your plans while you were in Cairo?

10 A I mean, if we ever wanted to seek help from somebody, we
11 wouldn't go directly and ask them, Hey, can you help us in
12 getting to Afghanistan or Pakistan or Somalia, where it was
13 that we wanted to go.

14 Q What would you do?

15 A Rather, we would feel them out and see their opinion on
16 what was happening today.

17 Q What do you mean by that, how would you feel them out?

18 A See their opinions on what they thought about Osama Bin
19 Laden or what they thought about Al Qaeda, what they thought
20 about the situation in Afghanistan in regard to the Muslims.

21 Q When you got to Cairo did you meet other people that were
22 sympathetic to fighting jihad?

23 A Yes.

24 Q How soon after you arrived in Cairo did you and Mr. Kaziu
25 meet other people that were sympathetic to jihad?

Hadzovic - direct - Ariail

429

1 A About a week in, a week or two in.

2 Q Who was the first person you met that was sympathetic to
3 the idea of going to fight jihad?

4 A Armend.

5 Q Who is Armend?

6 A He's from Kosovo.

7 Q How is it -- continue, sorry.

8 A He's from Kosovo. He was studying in Egypt.

9 Q How is it that you first met Armend?

10 A Through an Imam I knew in Plav.

11 Q What was that Iman's name?

12 A Sead Jasavic.

13 Q When did you meet that Iman in Plav?

14 A In the year of '07.

15 Q When were you -- when?

16 A In the year of '07 I went to Montenegro for vacation.

17 Q And how did you meet -- where did you first meet Armend?

18 A Armend, I met him first time was at the Cila Mall in
19 Montenegro.

20 Q How did you get in touch with him?

21 A I got in touch with him through Sead Jasavic.

22 Q How literally did you get in touch with him?

23 A Through e-mail.

24 Q What was Armend doing in Egypt?

25 A From my knowledge, he was there studying.

Hadzovic - direct - Ariail

430

1 Q And do you know if he was in Egypt legally?

2 A I believe his visa expired and he was there illegally.

3 Q Did you have specific conversation with Armend Kalanderi
4 in which you talked about jihad?

5 A We both did, yes.

6 Q When you were say "we both did," what do you mean?

7 A Me and Betim had conversations with him.

8 Q During those conversations did Armend agree to assist you
9 in your plan to go fight jihad?

10 A Yes, he did.

11 Q Where was it that he was going to assist you to go fight
12 jihad?

13 A He referred us to a friend. I believe the friend's name
14 was Bajram; that he was going to come in about three weeks to
15 Cairo and he would help us to get to Pakistan.

16 Q What was it that you were going to do once you got to
17 Pakistan?

18 A Go to Waziristan and join up with Taliban and Al Qaeda
19 and when there receive both physical and combat training.
20 When I mean combat training, I mean training with guns and
21 things of that sort; ultimately from there going to
22 Afghanistan and fighting jihad against U.S. allies -- U.S.
23 troops and its allies.

24 MR. ARIAIL: May I publish to the witness
25 Government's Exhibits 102?

Hadzovic - direct - Ariail

431

1 THE COURT: Yes.

2 Q Mr. Hadzovic, do you recognize this?

3 A Yes, I do.

4 Q What do you recognize it to be?

5 A Armend Kalanderi.

6 Q Armend Kalanderi. Kalanderi is the last name?

7 A Yes, I believe so.

8 Q Armend was going to help you get in touch with somebody
9 to get you to Afghanistan and Pakistan to fight with the
10 Taliban and Al Qaeda; is that correct?

11 A Yes.

12 MR. ARIAIL: Your Honor, I'd offer 102 and request
13 permission to publish it.

14 MR. STERN: No objection.

15 THE COURT: Received.

16 (So marked.)

17 MR. ARIAIL: If I could publish it on the other
18 board?

19 THE COURT: Yes.

20 Q Mr. Hadzovic, were there other people in Cairo that you
21 spoke with who were sympathetic to jihad?

22 A Yes.

23 Q Who else did you speak with in Cairo that was sympathetic
24 to jihad?

25 A Ahmed.

Hadzovic - direct - Ariail

432

1 Q Who is Ahmed?

2 A He's a Somalian that was studying in Egypt.

3 Q And when you say he's a Somalian, was he from Somalia?

4 A Yes, he was.

5 Q Did he live somewhere else after he was from Somalia?

6 A He was Somalian and he lived in the U.K.

7 Q Did you have specific conversations with Ahmed in which
8 he agreed to facilitate your plan to go fight jihad?

9 A Yes.

10 Q And did Mr. Kaziu participate in those conversations?

11 A Yes.

12 Q Was there a specific country or place that Ahmed was
13 going to help you go to fight jihad?

14 A Yes.

15 Q What was that country or place?

16 A Somalia.

17 Q Was there a specific group that he was going to hook you
18 up with?

19 A Yes.

20 Q What was that group?

21 A Al-Shabaab.

22 Q Mr. Hadzovic, do you know Ahmed's last name?

23 A I don't know it.

24 Q Did you ever get Ahmed's e-mail?

25 A Yes, I did.

Hadzovic - direct - Ariail

433

1 Q Did you learn Ahmed's last name upon reviewing his e-mail
2 address?

3 A Yes. But I'm not sure as to whether that is really his
4 last name.

5 Q What was his e-mail, if you know?

6 A Ahmeddini.

7 MR. ARIAIL: Can I publish, your Honor, just the
8 name?

9 THE COURT: Yes.

10 Q Mr. Hadzovic, other than Armend Kalanderi and Ahmed the
11 Somali, were there other people who you had a conversation
12 with about jihad in Cairo?

13 A Yes.

14 Q Who else?

15 A I had conversations about jihad with Fadil.

16 Q Who is Fadil? What was Fadil doing in Egypt?

17 A He was studying Arabic.

18 Q I'm sorry, I don't know if I asked you. What was Ahmed
19 doing in Egypt?

20 A As well, studying Arabic.

21 Q And was there anybody he is that you had conversations
22 with about jihad in Egypt?

23 A Yes.

24 Q Who else?

25 A Murad.

Hadzovic - direct - Ariail

434

1 Q Who is Murad?

2 A He's a Moroccan German that was studying in Egypt.

3 Q What was he studying in Egypt?

4 A Arabic.

5 Q Let's talk about Ahmed. How long after you arrived in
6 Cairo did you meet Ahmed the Somali?

7 A Let's say a little bit over a month.

8 Q Where was it that you first met him?

9 A In the Masjid El Quddes.

10 Q What is that?

11 A The mosque near our house.

12 Q And who, if anybody, was with you when you met him?

13 A Me and Betim.

14 Q Did Ahmed speak English?

15 A Yes, he did.

16 Q When you first met him who participated in the
17 conversation?

18 A Me, Betim and Ahmed.

19 Q Can you tell the jury, to the extent that you can
20 remember, the conversations that you and Betim had with Ahmed
21 at El Quddes Mosque.

22 A Our first conversation with Ahmed was to see whether or
23 not he could help us in getting married to a Somalian woman.
24 It would make our travels easier to Somalia.

25 So we went over to Ahmed in the mosque after prayer

Hadzovic - direct - Ariail

435

1 and we gave him the greetings Salam and we sat down with him
2 and we asked him how he was and everything.

3 After that we asked him if he knew any Somalian
4 girls that were looking to get married. He replied that he
5 didn't know.

6 Q If you're trying to get to Somalia at this time period,
7 Mr. Hadzovic, why don't you get on a plane and fly directly to
8 Somalia?

9 A Because I had read that the U.S. embassy had like flagged
10 it for people to travel there.

11 Q Why, if you know?

12 A I believe cause of the wars that were going on.

13 Q And what wars were going on in Somalia?

14 A Al-Shabaab against the Somalian government.

15 Q Why is it that you asked, you and Mr. Kaziu asked Ahmed
16 to find you a Somalian wife?

17 A We figured that if we had Somalian wives it would make
18 our travel there easier because they won't deny us Somalian
19 citizenship.

20 Q During that first conversation with Ahmed did you talk
21 about jihad?

22 A The first conversation?

23 Q That first conversation?

24 A No, we didn't.

25 Q After you met Ahmed did you and Mr. Kaziu continue your

Hadzovic - direct - Ariail

436

1 relationship with him?

2 A Yes, we did.

3 Q When did you next see him?

4 A I would say about a week or two after our first meeting.

5 Q Where did you see him?

6 A He lived in the area, in the same area of Hay Thamin,
7 which was fairly small and we went to the same masjid.

8 Q The second time you saw him was Mr. Kaziu with you?

9 A Yes.

10 Q Did you have a conversation?

11 A Yes, we did.

12 Q What was the conversation?

13 A With Ahmed?

14 Q Ahmed, yes.

15 A We invited him to our house.

16 Q And ultimately did he come to your house?

17 A Yes, he did.

18 Q Prior to inviting him to your apartment, did you and Mr.
19 Kaziu have a conversation about Ahmed coming to your
20 apartment?

21 A Yes, we did.

22 Q What was the conversation?

23 A We were speaking about if he would be able to help us in
24 getting to Somalia.

25 Q For what purpose?

Hadzovic - direct - Ariail

437

1 A For fighting jihad.

2 Q When did Ahmed ultimately come to your apartment?

3 A About a week or two after our first meeting.

4 Q And how long did he stay?

5 A About a couple of hours.

6 Q Who was there?

7 A It was just me, Betim and Ahmed.

8 Q Can you tell the jury what happened during the meeting
9 with Ahmed and Mr. Kaziu in your apartment?

10 A Sure.

11 Q Ahmed came over. We had invited him so he came in. We
12 gave him Salam. We greeted him and we brang him to the
13 sitting room. After that we bring like some tea, some drinks
14 and some sweets, cake and things of that sort.

15 We sat down with him and asked him how he was doing
16 and everything. After that we asked him what was his thought
17 about the situation in Somalia, what was happening with
18 Somalia people and its government. He was of the opinion
19 similar to ours that what Al-Shabaab was doing was the right
20 thing?

21 Q What is it again that Al-Shaab was doing?

22 A Fighting the Somalian government.

23 Q And to what end?

24 A To the end where they would overthrow them and implement
25 shariah.

Hadzovic - direct - Ariail

438

1 Q Now, during that conversation did you or Mr. Kaziu tell
2 Ahmed that you both wanted to go and fight jihad in Somalia?

3 A I don't believe it was that -- that actual meeting with
4 him.

5 Q Did you talk in that meeting about any specific people
6 who were involved or that you believed to be involved in
7 Al-Shaab?

8 A Yes.

9 Q Who did you speak about?

10 A Abu Mansour.

11 Q Who again is Abu Mansour?

12 A He is the leader of Al-Shaabab.

13 Q Can you tell the jury about the conversation that you and
14 Mr. Kaziu and Ahmed had about Abu Mansour?

15 A Yes. Well, I was feeling him out and seeing what his
16 opinions were on the jihad in Somalia. We asked him about Abu
17 Mansour, who is the leader of Al-Shaab, and we wanted to see
18 his thoughts on him, and Ahmed was with the same idea as ours
19 that what he was doing was right in leading this rebellion
20 against the Somali government.

21 Q Now, the video earlier today that you watched, did you
22 talk about that video?

23 A Yes.

24 Q And can you tell the jury about the conversation you had
25 about that video?

Hadzovic - direct - Ariail

439

1 A Yes. Just similar to the last one. We watched the video
2 and wanted to see his opinions on who he thought were -- who
3 Abu Mansour was, and we seen that he was with the same idea of
4 ours that what Abu Mansour was doing was the right thing.

5 Q Now, after the meeting with Ahmed in your apartment, did
6 you and Mr. Kaziu have other conversations about Ahmed?

7 A Yes.

8 Q Can you tell the jury about the conversations, the first
9 conversation you had about Ahmed after you met in your
10 apartment?

11 A Yes. After he left me and Betim spoke about asking him
12 whether he can help us in getting to Somalia. We of course
13 decided to invite him again.

14 Q When you say help -- if he could help you get to Somalia,
15 what was the purpose?

16 A To fight jihad in Somalia.

17 Q Did you have another meeting with Ahmed, did you and Mr.
18 Kaziu have another meeting with Ahmed after that?

19 A Yes, with he did.

20 Q When was that?

21 A About, I would say, a week later, prior -- prior to our
22 last meeting.

23 Q Where was the second meeting?

24 A The same place, our apartment.

25 Q And who was there?

Hadzovic - direct - Ariail

440

1 A Me, Betim and Ahmed.

2 Q Could you tell the jury again, or tell the jury what
3 happened the second time Ahmed met with you and Mr. Kaziu at
4 your apartment.

5 A Yes. Again, Ahmed had come over and we welcomed him
6 inside, we greeted him and of course brang out drinks and some
7 type of sweets.

8 We sat down with him and asked him how he was and,
9 you know, how was his family. After that we basically asked
10 him whether he can help us in getting to Somalia and Ahmed
11 replied that he can try.

12 Q Now, Mr. Hadzovic, during the first meeting with Ahmed
13 did you and Mr. Kaziu take any precautions during that
14 meeting?

15 A Yes.

16 Q What precautions did you take?

17 A Almost at any meeting that we had about jihad, we would
18 take out the batteries and SIM cards from our cellphones and
19 computer. We would put it in another room and close the door.

20 Q During the second meeting with Ahmed did you take the
21 same precautions?

22 A Yes.

23 Q During that conversation did you actually ask -- or did
24 you ask Ahmed whether he wanted to fight jihad?

25 A Yes, we did.

Hadzovic - direct - Ariail

441

1 Q And what did he say?

2 A He said that he would but couldn't.

3 Q Did he say why he couldn't?

4 A Yes.

5 Q What did he say?

6 A That he was married and that he had a family.

7 Q During that meeting did Ahmed tell you or take any steps
8 to actually facilitate getting you to Somalia?

9 A Yes, he did.

10 Q What did he do?

11 A He downloaded a program called JustVoip and this program
12 you put money in it and you can call from anywhere around the
13 world, just like Skype.

14 Q And after he downloaded JustVoip did he start making
15 phone calls?

16 A Yes, he did.

17 Q Who was it that called?

18 A I mean, I don't really know because he was speaking in
19 Somalian language.

20 Q Did he tell you who it was that he was calling?

21 A He said he was going to call some relatives and friends
22 to see where he can find that specific relative that could
23 help us in getting to Somalia.

24 Q During that conversation in the second meeting in the
25 apartment, did you and Mr. Kaziu and Ahmed talk about other

Hadzovic - direct - Ariail

442

1 fighters in Al-Shaab other than Abu Mansour?

2 A I know me and Betim spoke about Abu Mansour Al-Amriki.

3 Q Who is Abu Mansour Al-Amriki?

4 A He's an American. He was an American that went to
5 Somalia and took up arms against Somalian government.

6 Q And how is it that you know that?

7 A Because there's videos on him.

8 MR. ARIAIL: Your Honor, if I may. If you want to
9 take a break at this point?

10 THE COURT: No, thanks. We'll go to five.
11 What would you like to do?

12 MR. ARIAIL: Play a video.

13 THE COURT: Is it in evidence?

14 MR. ARIAIL: It is not yet, your Honor. I will show
15 it to the witness.

16 THE COURT: Go right ahead. Is it on the laptop?

17 MR. ARIAIL: It is.

2 Q Mr. Hadzovic, I'm directing your attention to the folder
3 on the screen mark Exhibit 921. Do you recognize this on
4 screen?

5 A Yes, I do.

6 Q What do you recognize it to be?

7 A This is Abu Mansour al Ameriki.

8 Q Did you and Mr. Kaziu watch this video while you were in
9 Cairo, Egypt?

10 A Yes, we did.

11 Q Did you have conversations about this video while you
12 were in Cairo, Egypt?

13 A Yes.

14 Q Can you tell the jury what were the conversation that you
15 and Mr. Kaziu had about Abu Mansour al Ameriki in this video?

16 A After seeing Abu Mansour and him going to Somalia and
17 taking up arms against Somalian government troops, it has now
18 influenced us because we were trying to do the same exact
19 thing that he was doing, that is, going to Somalia and
20 fighting in jihad.

21 Q What about Abu man and al Ameriki inspired you?

22 A Him being American and us being American as well and
23 going from America to Somalia and fighting jihad.

24 MR. ARIAIL: , I would offer Government's Exhibit 921
25 and ask permission to play it.

4 Q Before I play it, can you tell the jury a little bit
5 about what it is we are going to be seeing in this video?

6 A I believe in this video Abu Mansour is giving a speech to
7 someone who died in jihad.

8 Q Where is this video taking place?

9 A To my knowledge in Somalia.

10 (Video place.)

11 (Video stops.)

12 Q Mr. Hadzovic, in this video, is there another part to
13 this video?

14 A This specific video?

15 Q Yes.

16 A I don't know.

17 Q Did you watch other videos of Abu Mansour al Ameriki?

18 A Yes, we did.

19 Q Did you watch them with Mr. Kaziu while you were in
20 Egypt?

21 A Yes.

22 Q In those other videos you watched of Abu Mansour al
23 Ameriki, what did you observe Abu Mansour al Ameriki doing?

24 A He had wanted to be talking about how he was going to
25 attack the Somalian and Ethiopian troops. He had other ones

Hadzovic - direct - Ariail

445

1 of him doing a rap.

2 Q What do you mean?

3 A Like him rapping about like dying and fighting in jihad.

4 THE COURT: Are you going back to the video?

5 MR. ARIAIL: No, your Honor.

6 Q After the second meeting with Ahmed in Somalia, did you
7 continue to have conversation about getting to Somalia?

8 A Yes.

9 Q Can you tell the jury about the continued conversations
10 you had with Ahmed about getting to Somalia?

11 A After telling Ahmed our plans of going to fight in jihad,
12 he used to come over quite frequently and try to make phone
13 calls to his relative that was supposed to help us in getting
14 to Somalia.

15 Q And the phone calls that he was trying to make, with the
16 Just Voip software, how was he doing this?

17 A It was from Betim's computer.

18 Q What kind after computer was that?

19 A I believe it was a Dell.

20 Q And how was it -- did Ahmed tell you how it was that he
21 planned on getting you to Somalia?

22 A After he would get in contact with his cousin, me and
23 Betim could go to Kenya, from Kenya we would go to border of
24 the Kenya and Somalia and from there his cousin would pick us
25 up and drive us over to Mogadishu.

Hadzovic - direct - Ariail

446

1 Q And how was it that you intended to get across the
2 border?

3 A Just crossing it. But if we had any type of issues with
4 let's say border patrol, we could just pay them off.

5 Q And how was Ahmed's cousin or people going to help you in
6 that?

7 A He was going to pick up us and drive us to Mogadishu.

8 Q Where was he going to pick you up?

9 A At the border of Kenya and Somalia.

10 Q During your conversations with Ahmed did you talk about
11 going another route to Somalia?

12 A Me and Betim spoke about another route.

13 Q And what was that route?

14 A Initially it was through Djibouti and from Djibouti going
15 into Somalia and Somalia finding our way to Mogadishu.

16 Q Again why wouldn't you fly straight to Mogadishu from
17 Cairo?

18 A Because the U.S. embassy had flagged it for Americans to
19 travel there.

20 MR. ARIAIL: Your Honor if I could use the Elmo?

21 THE COURT: Sure.

22 MR. ARIAIL: Just for the witness.

23 THE COURT: Yes.

24 Q Mr. Hadzovic, do you recognize this?

25 A Yes, I do.

Hadzovic - direct - Ariail

447

1 Q What do you recognize this to be?

2 A It looks like a route from Cairo to Kenya, from Kenya
3 crossing the border into Khartum and Mogadishu.

4 MR. ARIAIL: I would offer 910.

5 THE COURT: Received.

6 (So marked.)

7 Q I'm showing you what's marked as Government's Exhibit --

8 MR. ARIAIL: Just for the witness, your Honor.

9 THE COURT: Yes.

10 Q -- 909. Do you recognize this?

11 A Yes, I do.

12 Q What is this?

13 A It looks like a route from Cairo to Djibouti, from
14 Djibouti to Mogadishu.

15 MR. ARIAIL: I would offer 909 and request to
16 publish.

17 MR. STERN: Objection.

18 THE COURT: Received.

19 (So marked.)

20 Q And Mr. Hadzovic, Djibouti is a right here. What is
21 Djibouti, do you know?

22 A It a country.

23 Q What sort of country is it?

24 A I believe it's a French colonized country.

25 Q And did you talk about going through Djibouti to get to

Hadzovic - direct - Ariail

448

1 Mogadishu?

2 A Yes.

3 Q Did you decide whether or not one route as better than
4 the other?

5 A Of course we thought Kenya was the better route.

6 Q Why?

7 A One being Ahmed's cousin and him being able to get us and
8 pick us up from the border of Kenya and Somalia. Another
9 thing being that -- at least I thought this way -- that
10 Djibouti being a French colonized country that they would have
11 a lot of security and that it wouldn't be the best idea.

12 Q Did you and Mr. Kaziu talk about another way to get to
13 Kenya for purposes of getting to Mogadishu?

14 A Yes.

15 Q What was that way?

16 A One way we discussed after we seen Ahmed wasn't getting
17 in contact with his relative was shaving our beards and going
18 to Kenya as tourists and then while in Kenya we would go to
19 Somalia.

20 Q Why is it that you would shave your beards?

21 A I guess to look less suspicious.

22 Q Now, at the time that you were meeting with Ahmed in
23 Cairo, what did you understand Al-Shabaab's main goals to be
24 in Somalia?

25 A My understanding was that their main goals were to

Hadzovic - direct - Ariail

449

1 overthrow the Somalian government and implement sharia.

2 Q To your understanding how was it that Al-Shabaab intended
3 to overthrow the government of the Somalia and to implement
4 sharia law?

5 A To my understanding it was of course kill Somalian troops
6 and sabotage government buildings by using bombs and things of
7 that sort.

8 Q And what sorts of weapons did you have an understanding
9 that Al-Shabaab was using in carrying out these efforts?

10 A Mainly AK-47's and RPG's.

11 Q Were there other weapons that you believed that they were
12 using?

13 A I believe that they were using more than that. But from
14 what I actually seen through the video it was AK-47's and
15 RPG's.

16 Q An AK-47, what's an AK-47, if you know?

17 A Assault rifle.

18 Q Do you know whether or not it's semiautomatic or
19 automatic?

20 A I believe it's automatic.

21 Q And what do you mean by automatic?

22 A I mean like when you press down the trigger it basically
23 goes until you waste your clip.

24 THE COURT: Would now be a good time to break?

25 MR. ARIAIL: Certainly, your Honor.

Hadzovic - direct - Ariail

450

1 THE COURT: Let's break for the day.

2 Don't discuss the case. Have a nice evening. See
3 you tomorrow morning.

4 All rise.

5 Good night, ladies and gentlemen.

6 (Jury excused.)

7 THE COURT: Thank you, sir.

8 (Witness excused.)

9 THE COURT: Let the jury clear before you take him
10 out.

11 Please be seated.

12 How much more, roughly, in terms of time will your
13 direct take?

14 MR. ARIAIL: I think, your Honor two hours at the
15 most.

16 THE COURT: Okay.

17 MR. ARIAIL: Give or take.

18 THE COURT: All right. Do you have an estimate
19 about how long your cross-examination will take.

20 MR. STERN: I expect it to take about two hours,
21 unless we talk about Ahmed for another two hours, then it will
22 had another half hour.

23 THE COURT: Which witnesses will follow this
24 witness.

25 MR. DuCHARME: Brian Booth, your Honor. He's a

1 computer specialist from the FBI and another special agent of
2 the FBI. Both of those witnesses we expect to be fairly
3 short.

4 THE COURT: Do I recall correctly that there were
5 seven government witnesses, other than this one?

6 MR. DuCHARME: I think there's seven in total, your
7 Honor.

8 THE COURT: Okay. Sounds like you're on a
9 trajectory to rest early in the week.

10 MR. DuCHARME: I think that's correct. With respect
11 to our expert witness -- I was just speaking with defense
12 counsel earlier -- if we were to finish with the two shorter
13 witnesses tomorrow afternoon, would you want us to be prepared
14 to start with our expert as soon as possible or can we do that
15 on Friday morning?

16 THE COURT: No. I don't want to have dead time.

17 MR. DuCHARME: So we'll be ready to go.

18 THE COURT: Please.

19 MR. DuCHARME: No problem.

20 THE COURT: All right. Good night.

21 (Case adjourned to Thursday, June 30, 2011, at 9:30
22 a.m.)
